Are You a "Whosoever?" Whosoever's are people destined to live forever in a place beyond their wildest expectations. Whosoever's are becoming more difficult to identify today due their being mocked and persecuted by Hollywood, the mainstream media, and most of our schools and universities. However, the rewards for achieving "whosoever status" are well worth looking into! How can you become a "whosoever"? Just believe! (John 3:16) "For God so loved the world that he gave his one and only Son, that whosoever believes in him shall not perish but have eternal life." Whosoever's are believers in God, the Creator of the universe, and Jesus Christ His one and only Son who exchanged His righteous for our

sinfulness. Jesus paid the price for all our sins, past, present, and future. The game of life is extremely complicated and doomed to failure if you don't know all the rules. The Bible is God's use and care manual and is His means used to communicate with us today. In the past, God communicated through various prophets. Now, we have God's Word, the Bible, to help us understand and know what pleases our creator. God says that it is impossible to please Him without faith and that faith comes from hearing His Word, the Bible. Today, many people know that God hates "idol worship." However, many peoples don't realize that anything that you put in front of God, for example, family, friends, possessions, or power, is idol worship. In God's eyes, hating anyone is equivalent to murder and lust for anyone, but your spouse is adultery. That is why we need to study the Bible to help us understand God's character! Everyone sins and falls short of God's standard. (Romans 3:10-12) "There is no one righteous, not even one; there is no one who understands there is no one who seeks God. All have turned away, they have together become worthless; there is no one who does good, not even one." This is why everyone needs a Savior! (Proverbs 14:12) "There is a way that seems right to man but in the end it leads to death." At the opposite end of the believing spectrum are the "never God" people. "Never God" people not only deny God their Creator and Jesus's sacrifice on the cross but also mock believers. The Apostle John called those who deny Jesus "antichrists." Unbelievers or antichrists will also live forever, but in an extremely hot environment. Instead of joy, there will be weeping and a gnashing of teeth. The fire in hell will burn eternally, but the occupants will never die. (John 8:31-32) "To the Jews who has believed him, Jesus said, 'If you hold to my teachings, you are my disciples. Then you will know the truth and the truth will set you free.'"

What happens when Christians must obey God rather than human authorities? In this book W. Bradford Littlejohn addresses that question as he unpacks the magisterial political-theological work of Richard Hooker, a leading figure in the sixteenth-century English Reformation, through the lens of Christian liberty. A beautifully illustrated collection of Gloria Steinem's most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself For decades—and especially now, in these times of crisis—people around the world have found guidance, humor, and unity in Gloria Steinem's gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem's words have helped generations to empower themselves and work together. Covering topics from relationships ("Many are looking for the right person. Too few are trying to be the right person.") to the patriarchy ("Men are liked better when they win. Women are liked better when they lose. This is how the patriarchy is enforced every day.") and activism ("Revolutions, like trees, grow from the bottom up."), this is the definitive collection of Steinem's words on what matters most. Steinem sees quotes as "the poetry of everyday life," so she also has included a few favorites from friends, including bell hooks, Flo Kennedy, and Michelle Obama, in this book that will make you want to laugh, march, and create some quotes of your own. In fact, at the end of the book, there's a special space for readers to add their own quotes and others they've found inspiring. *The Truth Will Set You Free, But First It Will Piss You Off!* is both timeless and timely. It is a gift of hope from Steinem to readers, and a book to share with friends. Advance praise for *The Truth Will Set You Free, But First It Will Piss You Off!* "Gloria has a profound knack for expressing ideas in ways that stick with you. When trying to explain something that I can't seem to wrap my own words around, I very often reach for one of Gloria's quotes. This beautiful book of her words will no doubt make one of the most quotable women I know even more eminently quotable."—Emma Watson "When the path is dark, Gloria's words light the way forward. I find myself returning again and again to her words for inspiration, comfort, and wisdom. She has a way of saying things you feel you knew but never knew how to articulate. Other times, she expresses ideas you've never encountered, but once you've heard them, they are impossible to deny. Her words contain the poetic clarity only truth offers."—Natalie Portman

Art Lindsley ably demonstrates that faith in Christ is necessarily opposed to and incompatible with the abuses of oppression, arrogance, intolerance, self-righteousness, closed-mindedness and defensiveness. Surprisingly, he shows that it is relativism which often harbors dangerous, inflexible absolutisms.

The Mind Parasites

David Icke's spiritual journey leads him deeper into the world of global deception, a plan he calls a coup d'etat on the human mind. This book contains detailed information, plus an outline to solutions which will lead us into a glorious future in which humanity will be truly free.

Bridge of Love

The Lie is a book that holds important questions that will disturb those that may think they've found the Truth. In the search for Truth, we have to keep vigilant, and test the validity of everything we believe. The Scriptures of Truth begin by showing how easily we can be deceived, and the first lie ever recorded is documented for everyone in the first several chapters after Creation. A serpent told a lie about eating something the first humans were forbidden to even touch. Ever since, humanity has been on a death walk, with the Word of Yahuah ringing in their ears of how to live. If we believe His Word, we can recover. If we choose to not believe, we will die. Each of us will die or live by our own choice in the matter. The same lie is deceiving humanity today, and Scripture tells us it is being told by those who teach us. The questions in this book will change you forever. You will never be able to return to the way you've been led to believe, because everything you've ever been taught has been with the objective of making you believe you can disobey Yahuah, and still live. How the teachers have done this to everyone is explained, using the Scriptures of Truth. When you find the Truth, you can be set free from the lie. If you want to inherit eternal life, guard the Commandments, they will never pass away. The whole world has been deceived, and the Truth reveals how in the last days people will mount up a great number of teachers that will teach what their itching ears want to hear, and turn aside to myths. Where are those great numbers of teachers to be found? Find out by reading the questions in this little 96-page book. It will break your heart when you read them, because the Truth will be revealed to you, and you will awaken. Something is about to happen to everyone in this world, and that is why you are reading these words right at this moment. Someone is calling you to awaken. You may think you have known Him, but what's more important is that He knows you. If you hear the call of your Shepherd, run to Him! The time is nearer than anyone thinks it is. None of the wicked shall understand, but those who have insight shall understand . . . Dan. 12:10 Blind Guides are everywhere. Their weeds have grown thick and are steadfastly blocking-out the Light, choking the wheat. Reapers are coming, help blow the shofar.

The Truth Shall Set Your Wallet Free is aimed at debunking the myths that prevent people from achieving their wealth goals. And the first myth that needs to be bashed is that financial advisors are only for the very rich. In fact, there are more financial advisors who cater to modest-income Americans than those who cater to the rich. Myths propagated by the media, regulators, and even the financial industry itself harm every American, from those at the poverty level to billionaires and everyone in between. This is the first time a holistic view of the entire advice market has been written by a non-advisor industry insider, without bias from any of the financial services sectors.

This is a powerful combination of a touching family story, a compelling legal argument and a visionary olive branch solution to one of history's most intractable dilemmas. This book is a catalyst to ignite dialogue between Armenians and Turks. Reconciliation can only take place when truth and truce are declared. What has happened cannot be undone, but we need not be prisoners of the past. The truth will set us -- Armenians and Turks -- free. The book shows that while the truth is not negotiable, the terms of reconciliation are. For nearly a hundred years the truth has been held hostage. In the final analysis, if Turks and Armenians cannot resolve this between themselves, no one else can. Now the truth may be rescued. Turks and Armenians need a new vision; a new vision to demolish the wall; a new vision for a

A kindergarten teacher, falsely accused of child molestation, stops at nothing to fight for the truth, her family, and her freedom while relying on faith. Tonya Craft, a small-town kindergarten teacher, had a good life--until two detectives suddenly accused her of molesting three children. With frightening speed, Tonya was arrested and charged with twenty-two counts of child molestation. She knew the charges were false--but she suddenly faced the real possibility that she was about to lose everything. This is the true story of a woman whose life spirals into a witch trial nightmare of guilt before innocence, as her children are taken away, and her own daughter is forced to take the stand against her. As Tonya fights to reveal the truth and clear her name, she offers an uncommon example of undying love, faith, and forgiveness--especially when she forgives the very people who caused her harm.

The Truth Will Set You Free

The available literature on the new evangelization is wide-ranging and focused on issues of ecclesial renewal. In *The Truth Will Make You Free*, Fr. Robert Leavitt adopts a different approach to the subject. From Paul VI until Pope Francis, the nature and challenges of modern secularism have become a recurring factor in the agenda of the new evangelization, yet often without historical perspective and philosophical balance. Few popular works bother to examine in such depth and scope, as this book does, what the history, nature, and implications of the secular age are for revitalizing ministry in an age of optional belief. Written for the interested layperson, seminarian, theology student, and pastor, *The Truth Will Make You Free* is an indispensable catechism for rethinking our understanding of the secular world in proclaiming the Gospel of Christ.

The Truth Will Set You Up

As in her former books, Alice Miller again focusses on facts. She is as determined as ever to cut through the veil that, for thousands of years now, has been so meticulously woven to shroud the truth. And when she lifts that veil and brushes it aside, the results are astonishing, as is amply demonstrated by her analyses of the works of Nietzsche, Picasso, Kollwitz, Keaton and others. With the key shunned by so many for so long - childhood - she opens rusty looks and offers her readers a wealth of unexpected perspectives. What did Picasso express in "Guernica"? Why did Buster Keaton never smile? Why did Nietzsche heap so much opprobrium on women and religion, and lose his mind for eleven years? Why did Hitler and Stalin become tyrannical mass murderers? Alice Miller investigates these and other questions thoroughly in this book. She draws from her discoveries the conclusion that human beings are not "innately" destructive, that they are made that way by ignorance, abuse, and neglect, particularly if no sympathetic witness comes to their aid. She also shows why some mistreated children do not become criminals but instead bear witness as artists to the truth about their childhoods, even though in purely intuitive and unconscious ways.

Carlton Westerfield is out of the murder business. Now, he serves as an advisor to crime boss Faustino Perez, who has joined forces with his friend, Reynaldo Gomez, another drug kingpin, in a bold venture. The pair have come up with a plan to oppose the powerful Golfo drug cartel and try to take over a segment of the wholesale distribution market. Their goals, they tell Carlton, are twofold: one, get better prices on their own inventory needs; and two, replace the bunch of harsh enforcers the cartel has running the Nuevo Laredo warehouse operation. The plan sounds shaky to Carlton, and he advises them accordingly. Of course, the headstrong drug kingpins go forward anyway. At first, Carlton is tasked only with giving advice on smuggling the necessary weapons into Mexico. But his assignment soon expands to finding out what his new girlfriend—DEA Agent Heather Colson—might know about Administration efforts to thwart their plan. Stuck in the middle between his new love interest and his criminally-minded associates, Carlton soon finds out that knowing the truth about something can be just as costly as being misled—it can kill you.

Everything Is Possible with God

We left off in the last book, THE TRUTH WILL SET YOU FREE???? with a not guilty verdict in a murder case and later, a spanking from Cally at home. I was looking forward to getting back to my nice quiet life at home being Callys maid and being Callys husband. To me that was better than going out of the house for most any reason. However, our lives just dont seem to be following my desires as before a week was over, David called Cally with another murder case where he was at a loss to formulate any defense for his client, Oliver. So, Cally and I interviewed Oliver, the accused, believed he was innocent and took on the challenge to find the truth that could set Oliver free. The case did not turn out the way we expected and that turned out very bad for me. Oliver went to prison and Cally punished me. But, I never give up and started over and tried to find the truth. I was determined to set Oliver free. One of the biggest surprises came with one of Americas most decorated Generals taking the witness stand; that was a real shocker. Then as life seems to be finding its own path, there were problems with milly and her sissy maid service to Molly. The FBI called and needed me to go undercover for them again to stop a policemen from sexual misconduct. Cally and I had a good time helping out this time. One day I was sitting there in the courtroom wondering where my normal life went; when I remembered what a very famous American once said. DOC HOLIDAY, in response to Wyatt Earp one day told Wyatt; There is no normal life, there is just life So, I seem to be finding out. My life has turned into a fairy tale. The fairy tale continues; the sissy maid missy bad boy series. A collection of good, bad, and special characters having; LIFE

Wilson has blended H.P. Lovecraft's dark vision with his own revolutionary philosophy and unique narrative powers to produce a stunning, high-tension story of vaulting imagination. A professor makes a horrifying discovery while excavating a sinister archaeological site. For over 200 years, mind parasites have been lurking in the deepest layers of human consciousness, feeding on human life force and steadily gaining a foothold on the planet. Now they threaten humanity's extinction. They can be fought with one weapon only: the mind, pushed to--and beyond--its limits. Pushed so far that humans can read each other's thoughts, that the moon can be shifted from its orbit by thought alone. Pushed so that man can at last join battle with the loathsome parasites on equal terms.

Know the Truth

More than twenty years ago, a little-known Swiss psychoanalyst wrote a book that changed the way many people viewed themselves and their world. In simple but powerful prose, the deeply moving *Drama of the Gifted Child* showed how parents unconsciously form and deform the emotional lives of their children. Alice Miller's stories about the roots of suffering in childhood resonated with readers, and her book soon became a backlist best seller. In *The Truth Will Set You Free* Miller returns to the intensely personal tone and themes of her best-loved work. Only by embracing the truth of our past histories can any of us hope to be free of pain in the present, she argues. Miller uses vivid true stories to reveal the perils of early-childhood mistreatment and the dangers of mindless obedience to parental will. Drawing on the latest research on brain development, she shows how spanking and humiliation produce dangerous levels of denial, which leads in turn to emotional blindness and to mental barriers that cut off awareness and the ability to learn new ways of acting. If this cycle repeats itself, the grown child will perpetrate the same abuse on later generations--a message vitally important, especially given the increasing popularity of programs like *Tough Love* and of "child disciplinarians" like James Dobson. *The Truth Will Set You Free* will provoke and inform all readers who want to know Alice Miller's latest thinking on this important subject.

Christopher Ross and his brothers board the newest cruise ship owned by their family completely unaware of a sinister plan that is at work on the ship with a plot to kill the Ross boys. Christopher has heeded the captain's warning and the mysterious letters from a friend. Christopher has a choice to make: he can either sit back and do nothing after he learns how an old friend on board the ship, with whom he's just been reunited, is being abused by her father, or he can try to help her when everyone tells him to stay out of it and just worry about staying alive. Will Christopher find out who's behind the letters he's been receiving? This cruise will turn into one of love and loss. Will all three boys make it out unscathed, or will they all die? Joe Nelson has always despised the Ross boys, and now is the time to put his plan into action. But what happens after he hires the shipyard's hit man, Connor Morris? Joe suddenly has a change of heart. After all, murder isn't something to be messed with. It's not only wrong. It's a sin. Will Joe fully change his mind, or will he allow things to pan out? Will Connor change his ways and repent of his sins? 1
