A Mental Floss Best Book of 2018 A Bustle Book to Know in October An InStyle 10 Books You Won't Be Able to Put Down This October SIX FRIENDS THAT BECAME A FAMILY. A TELEVISION SHOW THAT BECAME A PHENOMENON. Today, Friends is remembered as an icon of '90s comedy and the Must See TV years. But when the series debuted in 1994, no one anticipated the sensation it would become. From the first wave of Friends mania to the backlash and renaissance that followed, the show maintained an uncanny connection to its audience, who saw it both as a reflection of their own lives and an aspirational escape from reality. In the years since, Friends has evolved from prime-time megahit to nostalgic novelty, and finally, to certified classic. Ross, Rachel, Monica, Chandler, Joey and Phoebe have entered the pantheon of great television characters, and yet their stories remain relevant still. I'll Be There for You is a deep dive into Friends history and lore, exploring all aspects of the show, from its unlikely origins to the societal conditions that amplified its success. Journalist and pop culture expert Kelsey Miller relives the show's most powerful moments, sheds light on its sometimes dated and problematic elements, and examines the worldwide trends that Friends catalyzed, from contemporary coffee culture to the wildly popular '90s haircut The Rachel. Taking readers behind the scenes, Miller traces the cast's rise to fame and untangles the complex relationship between the actors and their characters. Weaving in revelatory interviews and personal stories, she investigates the role of celebrity media, world-changing events and

"John Green fans will appreciate this tale." --USA Today "[A] humorous, deeply human coming-of-age story." --The Washington Post Scott Ferdowsi has a track record of quitting. His best friends know exactly what they want to do with the rest of their lives, but Scott can hardly commit to a breakfast cereal, let alone a passion. With college applications looming and his parents pushing him to settle on a "practical" career, Scott sneaks off to Washington, DC, seeking guidance from a famous psychologist who claims to know the secret to success. He never expects an adventure to unfold. But that's what Scott gets when he meets Fiora Buchanan, a ballsy college student whose life ambition is to write crossword puzzles. When the bicycle she lends him gets Scott into a high-speed chase, he knows he's in for the ride of his life. Soon, Scott finds himself sneaking into bars, attempting to pick up girls at the National Zoo, and even giving the crossword thing a try--all while opening his eyes to fundamental truths about who he is and who he wants to be.

For every boy and girl who loves Minecraft, a brand-new illustrated edition of the bestselling novel by author Winter Morgan with 75 full-color illustrations. Steve is back and ready for more adventures! But this time the excitement lands closer to home. While walking home from the village, Steve is surprised to hear a loud BOOM! When he returns home, he finds his wheat farm destroyed and a huge crater where the wheat once grew. And his diamond sword is missing! Steve believes it's the act of a griefer with a lot of TNT. Devastated, Steve wants to rebuild and find his sword, but with his wheat destroyed, he must call on old friends to help him. All together again, Lucy, Max, and Henry tell harrowing stories of their treasure hunts and conquests, and Steve discusses his strategy for rebuilding. They all go to sleep, excited to begin their plans; but when they wake up, Henry is missing! Looking for Henry in the village, two of Steve's neighbors, Kyra and Adam, have been targeted as well: Kyra's barn was flooded with lava, and Adam's friend Thomas is missing too! Who is the griefer terrorizing Steve and the villagers? And how will Steve find the resources to rebuild his prosperous farm? With suspicion circulating and no answers to be found, Steve finds himself wrongly suspected of these crimes—and so he must discover who the mischievous griefer is before something even worse happens.

The Ultimate Guide to Friends (The One That's 100% Unofficial)

A ferocious new novel from the master: when a man's good heart is his worst enemy By chance and not by choice, Ted Mundy, eternal striver, failed writer, and expatriate son of a British Army officer, used to be a spy. But that was in the good old Cold War days, when a cinder-block wall divided Berlin and the enemy was easy to recognize. Today, Mundy is a down-at-the-heels tour guide in southern Germany, dodging creditors, supporting a new family, and keeping an eye out for trouble while in spare moments vigorously questioning the actions of the country he once bravely served. And trouble finds him, as it has before, in the shape of an old German student friend, radical, and onetime fellow spy, the crippled Sasha, seeker after absolutes, dreamer, and chaos addict. After years of trawling the Middle East and Asia as an itinerant university lecturer, Sasha has yet again discovered the true, the only, answer to life—this

time in the form of a mysterious billionaire philanthropist named Dimitri. Thanks to Dimitri, both Mundy and Sasha will find a path out of poverty, and with it their chance to change a world that both believe is going to the devil. Or will they? Who is Dimitri? Why does Dimitri's gold pour in from mysterious Middle Eastern bank accounts? And why does his apparently noble venture reek less of starry idealism than of treachery and fear? Some gifts are too expensive to accept. Could this be one of them? With a cooler head than Sasha's, Mundy is inclined to think it could. In *Absolute Friends*, John le Carre delivers the masterpiece he has been building to since the fall of communism: an epic tale of loyalty and betrayal that spans the lives of two friends from the riot-torn West Berlin of the 1960s to the grimy looking-glass of Cold War Europe to the present day of terrorism and new alliances. This is the novel le Carre fans have been waiting for, a brilliant, ferocious, heartbreaking work for the ages.

The Unofficial Book of Cricut Crafts

Algorithmic puzzles are puzzles involving well-defined procedures for solving problems. This book will provide an enjoyable and accessible introduction to algorithmic puzzles that will develop the reader's algorithmic thinking. The first part of this book is a tutorial on algorithm design strategies and analysis techniques. Algorithm design strategies – exhaustive search, backtracking, divide-and-conquer and a few others – are general approaches to designing step-by-step instructions for solving problems. Analysis techniques are methods for investigating such procedures to answer questions about the ultimate result of the procedure or how many steps are executed before the procedure stops. The discussion is an elementary level, with puzzle examples, and requires neither programming nor mathematics beyond a secondary school level. Thus, the tutorial provides a gentle and entertaining introduction to main ideas in high-level algorithmic problem solving. The second and main part of the book contains 150 puzzles, from centuries-old classics to newcomers often asked during job interviews at computing, engineering, and financial companies. The puzzles are divided into three groups by their difficulty levels. The first fifty puzzles in the Easier Puzzles section require only middle school mathematics. The sixty puzzle of average difficulty and forty harder puzzles require just high school mathematics plus a few topics such as binary numbers and simple recurrences, which are reviewed in the tutorial. All the puzzles are provided with hints, detailed solutions, and brief comments. The comments deal with the puzzle origins and design or analysis techniques used in the solution. The book should be of interest to puzzle lovers, students and teachers of algorithm courses, and persons expecting to be given puzzles during job interviews.

For every boy and girl who loves Minecraft, a brand-new illustrated edition of the bestselling adventure novel by author Winter Morgan with 75 full-color illustrations. Steve lives on a wheat farm. He has everything he needs to live in the Minecraft world: a bed, a house, and food. Steve likes to spend his mornings in the NPC village and trade his wheat for emeralds, armor, books, swords, and food. One morning, he finds that Zombies have attacked the villagers. The Zombies have also turned the village blacksmith into a Zombie, leaving Steve without a place to get swords. To protect himself and the few villagers that remain, Steve goes on a quest to mine for forty diamonds, which are the most powerful mineral in the Overworld. He wants to craft these diamonds into a diamond sword to shield him and the villagers from the Zombies. Far from his home, with night about to set in, Steve fears for his life. Nighttime is when users are most vulnerable in Minecraft. As he looks for shelter in a temple, he meets a trio of treasure hunters, Max, Lucy, and Henry, who are trying to unearth the treasure under the temple. Steve tells them of his master plan to mine for the most powerful mineral in the Overworld—the diamond. The treasure hunters are eager to join him. The Big Book of Disney Word Search Puzzles

Solving the Magic You can do a lot of things with Disney magic. You can learn about it, you can live it, you can even wallow in it. And now you can "solve" it, too, with this clever collection of crossword puzzles created by Disney film expert and puzzle-master Richard Emmons. Each of the puzzles in this book concerns a classic Disney animated film, from *Snow White and the Seven Dwarfs* to *Coco*. After a bit of trivia to set the stage, you'll find yourself face-to-face with a devilishly challenging but not malevolently difficult crossword puzzle about that film. It's just the thing to keep your brain in the Disney groove and to brighten the downtimes in your day with a dose of pixie dust. Keep your eye out for volume two, coming in Spring 2019

The Quest for the Diamond Sword (Deluxe Illustrated Edition)

A fully illustrated and authorized episode guide celebrating the twenty-fifth anniversary of the hit-television show Friends, including a look behind-the-scenes of cult-favorite episodes, exclusive photos from Warner Bros., brand new interviews with show creators Marta Kauffman, David Crane, and set designer John Shaffner, and more. The beloved show Friends introduced the world to six young New Yorkers living together, falling in love, breaking up (cue Ross's "We were on a break!"), and getting into hilarious shenanigans, which became an instant classic formula that inspired dozens of "hangout sitcoms" long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like "the Rachel" and timeless catchphrases like "How you doin'?" while creating a cultural sensation that catapulted the cast members to instant mega-stardom. Throughout the show's ten-season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and, of course, plenty of sarcasm. Friends Forever takes fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred episodes and sneak peeks of how popularly referenced lines from the show came to be. Friends Forever also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner who reveals his inspirations behind the iconic looks behind Monica's and Rachel's apartment and Central Perk. It's no wonder why the Friends cast was chosen by TV Guide readers as the Best Comedy cast of all time, while countless other publications such as Vanity Fair named the show one of the best sitcoms of all time. Fun, hilarious interactives include: Joey's fake resume vs real one Countdown to the funniest Thanksgiving foods Trivia game Q&A from "The One with the Embryos" (Seriously, what is Chandler Bing's job?) Follow Ross's infidelity trail from "The One with the Morning After" Who's that celebrity? A comprehensive guide to some of the most famous celebrity guest stars from all ten seasons
