## When Breath Becomes Air

He's lonely and desperate. But he wants far more than her attention. The one thing Benny wants more than anything is a relationship. But he's not smart or good-looking, so women ignore him or run the other way. Then Olivia moves into the neighbourhood. It's love at first sight for Benny. Olivia is beautiful and kind, his fairy tale princess. But there are two big obstacles. Olivia doesn't love him. Yet. And her abusive ex-husband Lucas is still hanging around, making life difficult for her. There's only one course of action. But will it give Benny what he wants? If you love suspenseful stories with flawed characters who'll touch your heart, you'll love this novel you can read in one sitting.

## Trust Me, I'm a (Junior) Doctor

NEW YORK TIMES BESTSELLER "If you've ever wondered how you have the capacity to wonder, some fascinating insights await you in these pages." --Adam Grant, New York Times bestselling author of *Originals* As concise and enlightening as *Seven Brief Lessons on Physics* and *Astrophysics for People in a Hurry*, this mind-expanding dive into the mystery of consciousness is an illuminating meditation on the self, free will, and felt experience. What is consciousness? How does it arise? And why does it exist? We take our experience of being in the world for granted. But the very existence of consciousness raises profound questions: Why would any collection of matter in the universe be conscious? How are we able to think about this? And why should we? In this wonderfully accessible book, Annaka Harris guides us through the evolving definitions, philosophies, and scientific findings that probe our limited understanding of consciousness. Where does it reside, and what gives rise to it? Could it be an illusion, or a universal property of all matter? As we try to understand consciousness, we must grapple with how to define it and, in the age of artificial intelligence, who or what might possess it. *Conscious* offers lively and challenging arguments that alter our ideas about consciousness—allowing us to think freely about it for ourselves, if indeed we can.

## This Is Gonna Hurt

'Treats a grim subject with warmth and self-deprecating good humour equally enlightening sequel' Daily Mail The sequel to the bestselling *Trust Me, I'm a (Junior) Doctor*. The junior doctor is back, but working on the streets for the Phoenix Outreach Project. Unfortunately, his first year in a hospital hasn't quite prepared him for it He's into his second year of medicine, but this time Max is out of the wards and onto the streets, working for the Phoenix Outreach Project. Fuelled by tea and more enthusiasm than experience, he attempts to locate and treat a wide and colourful range of patients that somehow his first year on the wards didn't prepare him for . . . from Molly the 80-year-old drugs mule and God in a Tesco car park, to middle-class mums addicted to appearances and pain killers in equal measure. His friends don't approve of the turn his career is taking, his mother is worried and the public spit at him, but Max is determined to make a difference. Despite warnings that miracles are rare, and that not everyone's life can be turned around, Max is still surprised by those that can be saved. Funny, touching and uplifting, Max goes from innocence to experience via dustbin-shopping-trips without ever losing his humanity.

## Dear Girls

A self-portrait of the UFC light-heavyweight champion discusses the street life that shaped his early years, his relationship with adult film star Jenna Jameson, and the colorful showman persona attributed to his character.

## Quick Reads This Is Going To Hurt

NEW YORK TIMES BESTSELLER "One of the greatest tricks that the patriarchy plays on women is to deliberately destabilize them, then use their instability as a reason to disbelieve them. Much of *BRAVE* reads like the diary of a woman driven half-mad by abusive men who assume no one will listen to her. In this case, the truth was finally—and, for McGowan, triumphantly—exposed" —The New York Times Book Review "BRAVE works beautifully as a manifesto. It's a call to arms—not just against the specific men who mistreated McGowan and the men and women who enabled that mistreatment, but against an industry."—The Boston Globe A revealing memoir and empowering manifesto - A voice for generations Rose McGowan was born in one cult and came of age in another, more visible cult: Hollywood. In a strange world where she was continually on display, stardom soon became a personal nightmare of constant exposure and sexualization. Rose escaped into the world of her mind, something she had done as a child, and into high-profile relationships. Every detail of her personal life became public, and the realities of an inherently sexist industry emerged with every script, role, public appearance, and magazine cover. The Hollywood machine packaged her as a sexualized bombshell, hijacking her image and identity and marketing them for profit. Hollywood expected Rose to be silent and cooperative and to stay the path. Instead, she rebelled and asserted her true identity and voice. She reemerged unscripted, courageous, victorious, angry, smart, fierce, unapologetic, controversial, and real as f\*ck. *BRAVE* is her raw, honest, and poignant memoir/manifesto—a no-holds-barred, pull-no-punches account of the rise of a millennial icon, fearless activist, and unstoppable force for change who is determined to expose the truth about the entertainment industry, dismantle the

concept of fame, shine a light on a multibillion-dollar business built on systemic misogyny, and empower people everywhere to wake up and be BRAVE. "My life, as you will read, has taken me from one cult to another. BRAVE is the story of how I fought my way out of these cults and reclaimed my life. I want to help you do the same." -Rose McGowan

## **Kay's Anatomy**

Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. Reader's Guide available. Reprint. 60,000 first printing.

## **BRAVE**

As an active surgeon and former department chairman, Dr. Paul A. Ruggieri has seen the good, the bad, and the ugly of his profession. In *Confessions of a Surgeon*, he pushes open the doors of the O.R. and reveals the inscrutable place where lives are improved, saved, and sometimes lost. He shares the successes, failures, remarkable advances, and camaraderie that make it exciting. He uncovers the truth about the abusive, exhaustive training and the arduous devotion of his old-school education. He explores the twenty-four-hour challenges that come from patients and their loved ones; the ethics of saving the lives of repugnant criminals; the hot-button issues of healthcare, lawsuits, and reimbursements; and the true cost of running a private practice. And he explains the influence of the "white coat code of silence" and why patients may never know what really transpires during surgery. Ultimately, Dr. Ruggieri lays bare an occupation that to most is as mysterious and unfamiliar as it is misunderstood. His account is passionate, illuminating, and often shocking—an eye-opening, never-before-seen look at real life, and death, in the O.R.

## **Conscious**

**SYNOPSIS:** *This is Going to Hurt* (2017) is a revealing look at the daily reality of working as a doctor in the UK today, as experienced by one man who rose through the ranks of the country's National Healthcare System (NHS). At times painfully funny, and in others disturbingly grim, author Adam Kay's personal recollections and diary entries offer a warts-and-all look at the life of a doctor in the NHS. **ABOUT THE AUTHOR:** A former doctor, Adam Kay is currently a British comedian and a writer for television shows such as *Mitchell and Webb*, *Up the Women* and *Very British Problems*. He also performs regularly sold-out shows at the Edinburgh Festival Fringe and his book, *This is Going to Hurt*, was named Non-Fiction Book of the Year by the UK's National Book Awards. **DISCLAIMER:** This book is not meant to replace the original book but to serve as a companion to it.

## **The Outsider**

*This Is Gonna Hurt* is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York

Times bestselling author of *The Heroin Diaries*. A combination of powerful prose and dramatic photographs, *This Is Gonna Hurt* is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

## **Every Patient Tells a Story**

The multi-million copy bestseller and Book of the Year at The National Book Awards. 'Painfully funny. The pain and the funniness somehow add up to something entirely good, entirely noble and entirely loveable.' - Stephen Fry

Welcome to the life of a junior doctor: 97-hour weeks, life and death decisions, a constant tsunami of bodily fluids, and the hospital parking meter earns more than you. Scribbled in secret after endless days, sleepless nights and missed weekends, Adam Kay's *This is Going to Hurt* provides a no-holds-barred account of his time on the NHS front line. Hilarious, horrifying and heartbreaking, this diary is everything you wanted to know – and more than a few things you didn't – about life on and off the hospital ward. Sunday Times Number One Bestseller for over eight months and winner of a record FOUR National Book Awards: Book of the Year, Non-Fiction Book of the Year, New Writer of the Year and Zoe Ball Book Club Book of the Year. This edition includes extra diary entries and an afterword by the author.

## **Complications**

The New York Times bestselling author of *Complications* examines, in riveting accounts of medical failure and triumph, how success is achieved in a complex and risk-filled profession. The struggle to perform well is universal: each one of us faces fatigue, limited resources, and imperfect abilities in whatever we do. But nowhere is this drive to do better more important than in medicine, where lives are on the line with every decision. In his new book, Atul Gawande explores how doctors strive to close the gap between best intentions and best performance in the face of obstacles that sometimes seem insurmountable. Gawande's gripping stories of diligence, ingenuity, and what it means to do right by people take us to battlefield surgical tents in Iraq, to labor and delivery rooms in Boston, to a polio outbreak in India, and to malpractice courtrooms around the country. He discusses the ethical dilemmas of doctors' participation in lethal injections, examines the influence of money on modern medicine, and recounts the astoundingly contentious history of hand washing. And as in all his writing, Gawande gives us an inside look at his own life as a practicing surgeon, offering a searingly honest firsthand account of work in a field where mistakes are both unavoidable and unthinkable. At once unflinching and compassionate, *Better* is an exhilarating journey narrated by "arguably the best nonfiction doctor-writer around" (Salon). Gawande's investigation into medical professionals and how they progress from merely good to great provides rare insight into the elements of success, illuminating every area of human endeavor.

## **Beloved**

This is not a new book but a specially adapted version of Adam Kay's bestseller *This is Going to Hurt* for Quick Reads. These short books are perfect for adults who are discovering reading for pleasure for the first time. Welcome to the life of a junior doctor. You work 97 hours a week. You make life and death decisions. You

are often covered in blood (or worse) from head to toe. And the hospital parking meter earns more money than you do. Adam Kay's diary was written in secret after long days, sleepless nights and missed weekends. It is funny, moving and sometimes shocking. This is everything you wanted to know – and more than a few things you didn't – about life on and off the hospital ward. Specially rewritten for ease of reading by Francesca Main.

## **Under the Knife**

A medical director of a mobile clinic that provides health services to homeless teens offers insight into how a lack of affordable health care is affecting disadvantaged youths, describing some of his most memorable cases and the dangers that are threatening both patients and caregivers. Reprint.

## **This is Going to Hurt Me More Than it Hurts You**

A collection of more than fifty hard-to-crack medical quandaries, featuring the best of The New York Times Magazine's popular Diagnosis column—the inspiration for the upcoming Netflix original series “Lisa Sanders is a paragon of the modern medical detective storyteller.”—Atul Gawande, author of *Being Mortal* As a Yale School of Medicine physician, the New York Times bestselling author of *Every Patient Tells a Story*, and an inspiration and adviser for the hit Fox TV drama *House, M.D.*, Lisa Sanders has seen it all. And yet she is often confounded by the cases she describes in her column: unexpected collections of symptoms that she and other physicians struggle to diagnose. A twenty-eight-year-old man, vacationing in the Bahamas for his birthday, tries some barracuda for dinner. Hours later, he collapses on the dance floor with crippling stomach pains. A middle-aged woman returns to her doctor, after visiting two days earlier with a mild rash on the back of her hands. Now the rash has turned purple and has spread across her entire body in whiplike streaks. A young elephant trainer in a traveling circus, once head-butted by a rogue zebra, is suddenly beset with splitting headaches, as if someone were “slamming a door inside his head.” In each of these cases, the path to diagnosis—and treatment—is winding, sometimes frustratingly unclear. Dr. Sanders shows how making the right diagnosis requires expertise, painstaking procedure, and sometimes a little luck. Intricate, gripping, and full of twists and turns, *Diagnosis* puts readers in the doctor's place. It lets them see what doctors see, feel the uncertainty they feel—and experience the thrill when the puzzle is finally solved.

## **Better**

Keret and Gavron masterfully assemble some of Israel's top contemporary writers into a compulsively readable collection.

## **Where Does it Hurt?**

A brilliant and courageous doctor reveals, in gripping accounts of true cases, the power and limits of modern medicine. Sometimes in medicine the only way to know what is truly going on in a patient is to operate, to look inside with one's own

eyes. This book is exploratory surgery on medicine itself, laying bare a science not in its idealized form but as it actually is -- complicated, perplexing, and profoundly human. Atul Gawande offers an unflinching view from the scalpel's edge, where science is ambiguous, information is limited, the stakes are high, yet decisions must be made. In dramatic and revealing stories of patients and doctors, he explores how deadly mistakes occur and why good surgeons go bad. He also shows us what happens when medicine comes up against the inexplicable: an architect with incapacitating back pain for which there is no physical cause; a young woman with nausea that won't go away; a television newscaster whose blushing is so severe that she cannot do her job. Gawande offers a richly detailed portrait of the people and the science, even as he tackles the paradoxes and imperfections inherent in caring for human lives. At once tough-minded and humane, *Complications* is a new kind of medical writing, nuanced and lucid, unafraid to confront the conflicts and uncertainties that lie at the heart of modern medicine, yet always alive to the possibilities of wisdom in this extraordinary endeavor. *Complications* is a 2002 National Book Award Finalist for Nonfiction.

## **Confessions of a Surgeon**

THE RECORD-BREAKING NUMBER ONE BESTSELLER 'Totally brilliant!' - Jacqueline Wilson 'If only this funny and informative book had been around when I was too embarrassed to teach my kids about bodily functions' - David Baddiel 'The sort of book I would have loved as a child' - Malorie Blackman 'Hilarious and fascinating!' - Konnie Huq 'Like listening to a teacher who makes pupils fall about' - The Times 'Hours of gruesome fun guaranteed' - i 'This is brilliant. I'm not jealous that I didn't write it at all. No, not one little bit.' - Dr Ranj Singh 'Much funnier and more informative and more gross than Gray's Anatomy I highly recommend for anyone' Dr Xand van Tulleken 'Adam Kay helped deliver my son, and ten years later he's just politely taught him the process that led to it. I can't help but feel that Adam is doing all my work for me.' - Danny Wallace The hilarious first children's book from the UK's bestselling non-fiction author. Do you ever think about your body and how it all works? Like really properly think about it? The human body is extraordinary and fascinating and, well . . . pretty weird. Yours is weird, mine is weird, your maths teacher's is even weirder. This book is going to tell you what's actually going on in there, and answer the really important questions, like: Are bogeys safe to eat? Look, if your nose is going to all that effort of creating a snack, the least we can do is check out its nutritional value. (Yes, they're safe. Chew away!) And . . . How much of your life will you spend on the toilet? About a year - so bring a good book. (I recommend this one.) So sit back, relax, put on some rubber gloves, and let a doctor take you on a poo (and puke) filled tour of your insides. Welcome to *Kay's Anatomy\**. \*a fancy word for your body. See, you're learning already. Covers key stage 2 / 3 human biology syllabus (in a slightly repulsive way).

## **This Won't Hurt a Bit (and Other White Lies)**

The number one Sunday Times bestseller – with a new, fantastically festive front cover! *Twas the Nightshift Before Christmas* is a short gift book of festive diaries from the author of multi-million-copy bestseller *This is Going to Hurt*. Christmas is coming, the goose is getting fat . . . but 1.4 million NHS staff are heading off to work. In this perfect present for anyone who has ever set foot in a hospital, Adam

Kay delves back into his diaries for a hilarious, horrifying and sometimes heartbreaking peek behind the blue curtain at Christmastime. This is a love letter to all those who spend their festive season on the front line, removing babies and baubles from the various places they get stuck, at the most wonderful time of the year. 'The perfect surgical stocking-filler' - The Times Two different covers of *This Is Going to Hurt* have been printed: one has a special festive design, and the other is our original hardback design. You will either receive the festive design or the original (as shown here) in your order. Specific covers cannot be requested.

## **This is Going to Hurt**

In the US edition of this international bestseller, Adam Kay channels Henry Marsh and David Sedaris to tell us the "darkly funny" (The New Yorker) -- and sometimes horrifying -- truth about life and work in a hospital. Welcome to 97-hour weeks. Welcome to life and death decisions. Welcome to a constant tsunami of bodily fluids. Welcome to earning less than the hospital parking meter. Wave goodbye to your friends and relationships. Welcome to the life of a first-year doctor. Scribbled in secret after endless days, sleepless nights and missed weekends, comedian and former medical resident Adam Kay's *This Is Going to Hurt* provides a no-holds-barred account of his time on the front lines of medicine. Hilarious, horrifying and heartbreaking by turns, this is everything you wanted to know -- and more than a few things you didn't -- about life on and off the hospital ward. And yes, it may leave a scar.

## **The Prison Doctor**

"A hilarious and poignant memoir of a medical residency."--Provided by the publisher.

## **Carrie**

'Extraordinary' Daily Mail As seen on BBC Breakfast Horrifying, heartbreaking and eye-opening, these are the stories, the patients and the cases that have characterised a career spent being a doctor behind bars.

## **High School**

NEW YORK TIMES AND NATIONAL BESTSELLER First loves, first songs, and the drugs and reckless high school exploits that fueled them—meet music icons Tegan and Sara as you've never known them before in this intimate and raw account of their formative years. *High School* is the revelatory and unique coming-of-age story of Sara and Tegan Quin, identical twins from Calgary, Alberta, growing up in the height of grunge and rave culture in the '90s, well before they became the celebrated musicians and global LGBTQ icons we know today. While grappling with their identity and sexuality, often alone, they also faced academic meltdown, their parents' divorce, and the looming pressure of what might come after high school. Written in alternating chapters from both Tegan's point of view and Sara's, the book is a raw account of the drugs, alcohol, love, music, and friendships they

explored in their formative years. A transcendent story of first loves and first songs, it captures the tangle of discordant and parallel memories of two sisters who grew up in distinct ways even as they lived just down the hall from one another. This is the origin story of Tegan and Sara.

## **My Wild and Sleepless Nights**

#1 International Bestseller A moving, lyrical, beautifully-written portrait of a nurse and the lives she has touched Christie Watson spent twenty years as a nurse, and in this intimate, poignant, and remarkably powerful book, she opens the doors of the hospital and shares its secrets. She takes us by her side down hospital corridors to visit the wards and meet her unforgettable patients. In the neonatal unit, premature babies fight for their lives, hovering at the very edge of survival, like tiny Emmanuel, wrapped up in a sandwich bag. On the cancer wards, the nurses administer chemotherapy and, long after the medicine stops working, something more important--which Watson learns to recognize when her own father is dying of cancer. In the pediatric intensive care unit, the nurses wash the hair of a little girl to remove the smell of smoke from the house fire. The emergency room is overcrowded as ever, with waves of alcohol and drug addicted patients as well as patients like Betty, a widow suffering chest pain, frail and alone. And the stories of the geriatric ward--Gladys and older patients like her--show the plight of the most vulnerable members of our society. Through the smallest of actions, nurses provide vital care and kindness. All of us will experience illness in our lifetime, and we will all depend on the support and dignity that nurses offer us; yet the women and men who form the vanguard of our health care remain unsung. In this age of fear, hate, and division, Christie Watson has written a book that reminds us of all that we share, and of the urgency of compassion.

## **Twas The Nightshift Before Christmas**

THE NUMBER ONE SUNDAY TIMES BESTSELLER Curated and edited by Adam Kay (author of multi-million bestseller This is Going to Hurt), Dear NHS features 100 household names telling their personal stories of the health service. Contributors include: Paul McCartney, Emilia Clarke, Peter Kay, Stephen Fry, Dawn French, Sir Trevor McDonald, Graham Norton, Sir Michael Palin, Naomie Harris, Ricky Gervais, Sir David Jason, Dame Emma Thompson, Joanna Lumley, Miranda Hart, Dermot O'Leary, Ed Sheeran, David Tennant, Dame Julie Walters, Emma Watson, Malala Yousafzai and many, many more. All profits from this book will go to NHS Charities Together to fund vital research, and The Lullaby Trust which supports parents bereaved of babies and young children. Other writers include Chris O'Dowd, Johnny Vegas, Jack Whitehall, Chris Evans, Lorraine Kelly, Lee Mack, Jonathan Ross, Konnie Huq, Greg James, Frank Skinner, Louis Theroux, Sandi Toksvig and Kevin Bridges. The NHS is our single greatest achievement as a country. No matter who you are, no matter what your health needs are, and no matter how much money you have, the NHS is there for you. In Dear NHS, 100 inspirational people come together to share their stories of how the national health service has been there for them, and changed their lives in the process. By turns deeply moving, hilarious, hopeful and impassioned, these stories together become a love letter to the NHS and the 1.4 million people who go above and beyond the call of duty every single day - selflessly, generously, putting others before themselves, never more so than now.

They are all heroes, and this book is our way of saying thank you. A minimum of £3.09 from the sale of each book will be paid to NHS Charities Together and £0.16 will be paid to The Lullaby Trust.

## **Obsession**

By turns heartbreaking, hilarious, and utterly human, *The House of God* is a mesmerizing and provocative novel about Roy Basch and five of his fellow interns at the most renowned teaching hospital in the country. “The raunchy, troubling, and hilarious novel that turned into a cult phenomenon. Singularly compelling...brutally honest.”—*The New York Times* Struggling with grueling hours and sudden life-and-death responsibilities, Basch and his colleagues, under the leadership of their rule-breaking senior resident known only as the Fat Man, must learn not only how to be fine doctors but, eventually, good human beings. A phenomenon ever since it was published, *The House of God* was the first unvarnished, unglorified, and uncensored portrait of what training to become a doctor is truly like, in all its terror, exhaustion and black comedy. With more than two million copies sold worldwide, it has been hailed as one of the most important medical novels ever written. With an introduction by John Updike

## **Ask Me Why I Hurt**

Surgeon Arnold van de Laar uses his own experience and expertise to tell this engrossing history of surgery through 28 famous operations—from Louis XIV and Einstein to JFK and Houdini. From the story of the desperate man from seventeenth-century Amsterdam who grimly cut a stone out of his own bladder to Bob Marley's deadly toe, *Under the Knife* offers a wealth of fascinating and unforgettable insights into medicine and history via the operating room. What happens during an operation? How does the human body respond to being attacked by a knife, a

bacterium, a cancer cell or a bullet? And, as medical advances continuously push the boundaries of what medicine can cure, what are the limits of surgery? With stories spanning the dark centuries of bloodletting and amputations without anaesthetic through today's sterile, high-tech operating rooms, *Under the Knife* is both a rich cultural history, and a modern anatomy class for us all.

## Dear NHS

A riveting exploration of the most difficult and important part of what doctors do, by Yale School of Medicine physician Dr. Lisa Sanders, author of the monthly New York Times Magazine column "Diagnosis," the inspiration for the hit Fox TV series *House, M.D.* "The experience of being ill can be like waking up in a foreign country. Life, as you formerly knew it, is on hold while you travel through this other world as unknown as it is unexpected. When I see patients in the hospital or in my office who are suddenly, surprisingly ill, what they really want to know is, 'What is wrong with me?' They want a road map that will help them manage their new surroundings. The ability to give this unnerving and unfamiliar place a name, to know it—on some level—restores a measure of control, independent of whether or not that diagnosis comes attached to a cure. Because, even today, a diagnosis is frequently all a good doctor has to offer." A healthy young man suddenly loses his memory—making him unable to remember the events of each passing hour. Two patients diagnosed with Lyme disease improve after antibiotic treatment—only to have their symptoms mysteriously return. A young woman lies dying in the ICU—bleeding, jaundiced, incoherent—and none of her doctors know what is killing her. In *Every Patient Tells a Story*, Dr. Lisa Sanders takes us bedside to witness the process of solving these and other diagnostic dilemmas, providing a firsthand account of the expertise and intuition that lead a doctor to make the right diagnosis. Never in human history have doctors had the knowledge, the tools, and the skills that they have today to diagnose illness and disease. And yet mistakes are made, diagnoses missed, symptoms or tests misunderstood. In this high-tech world of modern medicine, Sanders shows us that knowledge, while essential, is not sufficient to unravel the complexities of illness. She presents an unflinching look inside the detective story that marks nearly every illness—the diagnosis—revealing the combination of uncertainty and intrigue that doctors face when confronting patients who are sick or dying. Through dramatic stories of patients with baffling symptoms, Sanders portrays the absolute necessity and surprising difficulties of getting the patient's story, the challenges of the physical exam, the pitfalls of doctor-to-doctor communication, the vagaries of tests, and the near calamity of diagnostic errors. In *Every Patient Tells a Story*, Dr. Sanders chronicles the real-life drama of doctors solving these difficult medical mysteries that not only illustrate the art and science of diagnosis, but often save the patients' lives.

## The Real Doctor Will See You Shortly

'Very funny and frank' Independent 'Reads like *Scrubs: The Blog* funny and awful in equal measure' Observer \* \* \* \* \* The bestselling real life story of a hapless junior doctor, based on his columns written anonymously for the Telegraph. IF YOU'RE GOING to be ill, it's best to avoid the first Wednesday in August. This is the day when junior doctors graduate to their first placements and begin to face

having to put into practice what they have spent the last six years learning. Starting on the evening before he begins work as a doctor, this book charts Max Pemberton's touching and funny journey through his first year in the NHS. Progressing from youthful idealism to frank bewilderment, Max realises how little his job is about 'saving people' and how much of his time is taken up by signing forms and trying to figure out all the important things no one has explained yet -- for example, the crucial question of how to tell whether someone is dead or not. Along the way, Max and his fellow fledgling doctors grapple with the complicated questions of life, love, mental health and how on earth to make time to do your laundry. All Creatures Great and Small meets Bridget Jones's Diary, this is a humorous and accessible peek into a world which you'd normally need a medical degree to witness. If you enjoy Trust Me, I'm a (Junior) Doctor, don't miss the follow-up titles Where Does It Hurt? and The Doctor Will See You Now.

## **Summary of This is Going to Hurt**

Originally published in 1968, Ursula K. Le Guin's *A Wizard of Earthsea* marks the first of the six now beloved Earthsea titles. Ged was the greatest sorcerer in Earthsea, but in his youth he was the reckless Sparrowhawk. In his hunger for power and knowledge, he tampered with long-held secrets and loosed a terrible shadow upon the world. This is the tumultuous tale of his testing, how he mastered the mighty words of power, tamed an ancient dragon, and crossed death's threshold to restore the balance. This ebook includes a sample chapter of *THE TOMBS OF ATUAN*.

## **This Is Going to Hurt**

Stephen King's legendary debut, about a teenage outcast and the revenge she enacts on her classmates. Carrie White may be picked on by her classmates, but she has a gift. She can move things with her mind. Doors lock. Candles fall. This is her power and her problem. Then, an act of kindness, as spontaneous as the vicious taunts of her classmates, offers Carrie a chance to be a normal until an unexpected cruelty turns her gift into a weapon of horror and destruction that no one will ever forget.

## **The Language of Kindness**

Now an HBO limited series starring Ben Mendelsohn! Evil has many faces...maybe even yours in this #1 New York Times bestseller from master storyteller Stephen King. An eleven-year-old boy's violated corpse is discovered in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens—Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon have DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying details begin to emerge, King's story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only

Stephen King can.

## **A Wizard of Earthsea**

'The best evocation of the all-consuming, self-eroding reality of motherhood, while also being luminous with love.' - Sunday Times Mother to five children, Clover Stroud has navigated family life across two decades, both losing and finding herself. In her touching, provocative and profoundly insightful book, she captures a sense of what motherhood really feels like – how intense, sensuous, joyful, boring, profound and dark it can be. My Wild and Sleepless Nights examines what it means to be a mother, and reveals with unflinching honesty the many conflicting emotions that this entails: the joy and the wonder, the loneliness and despair. PRAISE FOR CLOVER STROUD: 'Generous, tender, resonant' Sophie Dahl 'A wonderful book' Julie Myerson 'Bravo brave Clover Stroud' Amy Liptrot 'A masterpiece' Esther Coren 'Visceral and brilliant' India Knight 'Joyous and exhilarating' Cathy Rentzenbrink 'This book is fantastic' Polly Samson 'A remarkable woman, and an incredible writer' Bryony Gordon 'Every time a woman tells the truth like this, it sets another woman free' Elizabeth Gilbert Charting the course of one year, the first in her youngest child's life, Clover searches for answers to questions that many of us would be too afraid to admit to – not only about motherhood, but also about female sexuality and identity. Her story will speak to all mothers, and anyone about to embark on that journey.

## **Summary of This is Going to Hurt By Adam Kay - Secret Diaries of a Junior Doctor**

This is Going to Hurt: Secret Diaries of a Junior Doctor by Adam Kay: Conversation Starters This is Going to Hurt: Secret Diaries of a Junior Doctor, author, comedian, and former doctor Adam Kay's newest novel is the million-copy bestseller. It tells us a story of the plights and insider details of a life and journey of a doctor who is often forgotten despite his humble efforts to do his best. Adam Kay has written a masterful novel that is hilariously honest and makes us realize that doctors are often thought to be superhumans and don't have the luxury to live a normal life. The book urges the readers to accept doctors as regular humans who are flawed but try to make lives better of all the people they touch. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to create hours of conversation: -Foster a deeper understand of the book -Promote an atmosphere of discussion for groups -Assist in the study of the book, either individually or corporately -Explore unseen realms of the book as never seen before Disclaimer This book is an independent resource to supplement the original book and is not affiliated nor endorse by the original work in any way. If you have not yet purchased a copy of the original book, please do before purchasing this unofficial Conversation Starters. Download your copy now on sale Read it on your PC, Mac, iOS or Android smartphone, tablet devices.

## **The Grammarians**

A cloth bag containing eight copies of the title.

## **Diagnosis**

After his professional baseball career failed to launch, Matt McCarthy went to Harvard Medical School and onto a coveted residency slot in New York. But when he almost lost a patient on his first day after making what he believed to be a terrible error, he found himself facing the harsh reality of a new doctor's life--one in which even overachievers find themselves humbled, and in which med school training has little to offer in navigating the emotional roller-coaster of dealing with actual patients. Luckily for McCarthy, his second-year-resident adviser (whom he calls "Baio," owing to a resemblance to Charles in Charge-era Scott Baio) was an offbeat genius with a knack for breaking down the complicated process of treating patients. But neither doctor could offer much help to a patient named Barney, who had been living in the hospital while waiting for a new heart, and with whom McCarthy slowly befriended over the course of the year in ways that changed his perception of what it means to be a physician. Mixing the tense drama of ER with the screwball humor of Scrubs, McCarthy offers a window into hospital life that dispenses with sanctimony and self-seriousness while emphasizing the black-comic paradox of becoming a doctor- How do you learn how to save lives in a job where there is no practice? This One L for doctors will inspire and entertain physicians and patients alike.

## **This Is Gonna Hurt**

Mrs Death has had enough. She is exhausted from spending eternity doing her job and now she seeks someone to unburden her conscience to. Wolf Willeford, a troubled young writer, is well acquainted with death, but until now hadn't met Death in person - a black, working-class woman who shape-shifts and does her work unseen. Enthralled by her stories, Wolf becomes Mrs Death's scribe, and begins to write her memoirs. Using their desk as a vessel and conduit, Wolf travels across time and place with Mrs Death to witness deaths of past and present and discuss what the future holds for humanity. As the two reflect on the losses they have experienced - or, in the case of Mrs Death, facilitated - their friendship grows into a surprising affirmation of hope, resilience and love. All the while, despite her world-weariness, Death must continue to hold humans' fates in her hands, appearing in our lives when we least expect her . . .

## **Mrs Death Misses Death**

An enchanting, comic love letter to sibling rivalry and the English language. From the author compared to Nora Ephron and Nancy Mitford, not to mention Jane Austen, comes a new novel celebrating the beauty, mischief, and occasional treachery of language. The Grammarians are Laurel and Daphne Wolfe, identical, inseparable redheaded twins who share an obsession with words. They speak a secret "twin" tongue of their own as toddlers; as adults making their way in 1980s Manhattan, their verbal infatuation continues, but this love, which has always bound them together, begins instead to push them apart. Daphne, copy editor and grammar columnist, devotes herself to preserving the dignity and elegance of

Standard English. Laurel, who gives up teaching kindergarten to write poetry, is drawn, instead, to the polymorphous, chameleon nature of the written and spoken word. Their fraying twinship finally shreds completely when the sisters go to war, absurdly but passionately, over custody of their most prized family heirloom: Merriam Webster's New International Dictionary, Second Edition. Cathleen Schine has written a playful and joyful celebration of the interplay of language and life. A dazzling comedy of sisterly and linguistic manners, a revelation of the delights and stresses of intimacy, *The Grammarians* is the work of one of our great comic novelists at her very best.

## **The House of God**

In the US edition of this international bestseller, Adam Kay channels Henry Marsh and David Sedaris to tell us the "darkly funny" (*The New Yorker*) -- and sometimes horrifying -- truth about life and work in a hospital. Welcome to 97-hour weeks. Welcome to life and death decisions. Welcome to a constant tsunami of bodily fluids. Welcome to earning less than the hospital parking meter. Wave goodbye to your friends and relationships. Welcome to the life of a first-year doctor. Scribbled in secret after endless days, sleepless nights and missed weekends, comedian and former medical resident Adam Kay's *This Is Going to Hurt* provides a no-holds-barred account of his time on the front lines of medicine. Hilarious, horrifying and heartbreaking by turns, this is everything you wanted to know -- and more than a few things you didn't -- about life on and off the hospital ward. And yes, it may leave a scar.

## **This Is Going to Hurt**

An accompaniment to the video which demonstrates how to get disappointed employees to accept unwelcome decisions without long lasting and damaging bitterness, the video features actor John Cleese.

## **Tel Aviv Noir**

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—*The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Time* • *Variety* • *Chicago Tribune* • *Glamour* • *New York* In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her

daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—*Entertainment Weekly* "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—*Vogue* "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—*Bustle*
