Living Christ

To Live is Christ, to Die is Gain

The Crucified Life

More than ten million readers have enjoyed Robert Boyd Munger's spiritually challenging meditation on Christian discipleship. Imagining what it would be like to have Jesus come to the home of our hearts, Munger moves room by room considering what Christ desires for us. In the living room we prepare to meet Christ daily. In the dining room we examine together what appetites should and should not control us. We even explore the closets in our lives that Christ can help us clean out. Munger's practical and profound booklet (now revised and expanded) helps you give Christ control over all of your life.

Using the example of John the apostle, whom Jesus took on a lifelong journey into the depths of His love, the author argues that Jesus still desires to reveal Himself to His disciples today, and shows readers how to live in the reality that they, too, are Christ's beloved.

To Live is Christ

This collection of articles is designed to help Christians better understand their Savior by seeing the centrality of His affections for them in their day-to-day lives. Sinclair Ferguson points us to Jesus, beautiful in His love and faithful in His work on behalf of His people.

The MacArthur Bible Commentary

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

To Live Is Christ

New Believer's Series 24v Set

From the pulpit of Charles Spurgeon, the renowned British preacher, "For Me To Live Is Christ" joyously proclaims what it means to live wholly devoted to God's only Son. Spurgeon reminds readers that Christ's miraculous life ignited the miracle of God in us.

The Living and Practical Way to Enjoy Christ

You know you know it But then again, maybe you don't. Even if you go to church, it doesn't mean that you are being exposed (or exposing others) to the gospel explicitly. Sure, most people talk about Jesus, and about being good and avoiding bad, but the gospel message simply isn't there—at least not in its specificity and its fullness. Inspired by the needs of both the over-churched and the unchurched, and bolstered by the common neglect of the explicit gospel within Christianity, popular pastor Matt Chandler writes this best-selling treatise to remind us what is of first and utmost importance—the gospel.

To Live Is Christ

Published to coincide with Pope Benedict XVI's "Year of St. Paul," To Live is Christ will energize Christians of all backgrounds to study the great Apostle.

Handbook to Happiness

Ranks the Apostle Paul as "one of the most powerful and seminal minds of the first or any century," and argues that we can now sketch with confidence a new and more nuanced picture of Paul and the radical way in which his encounter with Jesus redefined his life, his mission and his expectations for a world made new in Christ. Reprint.

Paul

This fast moving narrative shares how God brought K.P. from a remote Indian village to a worldwide outreach ministry. His testimony is an inspiration to those who have a vision for a world that is dying without Jesus.

We Live as Christ

Through the cleansing blood of Jesus Christ and the sanctifying power of His Holy Spirit within us, wherever we are, Christ is there. Dr. Kinlaw says the gospel is not only an invitation to be saved, but a call to represent Christ in the everyday world. As He is, so are we in this world I John 4:17b.

Live

John Newton is best known as the slave trader turned hymn writer who penned the most popular English hymn in history: "Amazing Grace." However, many Christians are less familiar with the decades he spent in relative obscurity, laboring as a "spiritual doctor" while pastoring small parishes in England. In the latest addition to Crossway's growing Theologians on the Christian Life series, Tony Reinke introduces modern readers to Newton's pastoral wisdom by leading them through the many sermons, hymns, and—most importantly—letters that he wrote over the course of his life. Considered by many to be one of the greatest letter writers of all time, Newton has valuable insights to offer modern Christians, especially when it comes to fusing together sound doctrine, lived experience, and godly practice. Part of the Theologians on the Christian Life series.

Philippians

Everyone enjoys a good story. Stories inspire, encourage, and entertain. Stories, like a good country song, are about love, life, and loss. What you will discover in this book is what each and every one of you experiences day in and day out. There are days filled with gladness, and there are days filled with sadness. There are days that you are more than a conqueror, and there are days that you have been conquered. There are days that you experience the presence of God, and there are days that you are asking, "God, where are you?" These stories will remind you that God is near. He is with you in every moment, every movement, and every minute of your life. He is never farther than a prayer away. He is like the good shepherd that takes care of his sheep. He not only knows where you are, but also knows what you need. Enjoy the journey. Live with no regrets. Experience the presence of God. Stand on God's promises. Heaven is real. Jesus saves. "I eagerly expect and hope that I will in no way be ashamed, but will have sufficient courage so that now as always Christ will be exalted in my body, whether by life or by death. For to me, to live is Christ and to die is gain." (Philippians 1:20-22, NIV) In Volume 1, discover Pastor Frazee's humor, heart, and ministry with titles such as "The Bent Nail", "Unfinished Products", "The Church Dog, Two Geese, and Easter Sunday", and "Call Me a Pansy".

To Live is Christ, Volume 1

Over 650,000 Copies Sold "If you live gladly to make others glad in God, your life will be hard, your risks will be high, and your joy will be full." The American Dream beckons people to spend their lives on trivial diversions, slipping through life caught up with seeking success, comfort, and pleasure above all else. But God designed people for far more than this. In this best-selling book, John Piper makes a passionate plea to the next generation to avoid the dangers of a wasted life, calling us to take risks and make sacrifices that matter for eternity—with a single, soul-satisfying passion for the glory of God that seeks to make much of him in every sphere of our lives.

Newton on the Christian Life

More than any other person, Paul provides us an example of sold-out servanthood. He understood what it means to die daily, crucified with Jesus Christ. As a result, Paul shows us how to live fully as a bond servant to Christ.

Don't Waste Your Life (Redesign)

Using Paul's radical letter to the Philippians as his road map, Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity. The short book of Philippians is one of the most quoted in the Bible, yet Paul wrote it not for the popular sound bites, but to paint a picture of a mature Christian faith. While many give their lives to Jesus, few then go on to live a life of truly

vibrant faith. In this disruptively inspiring book, Chandler offers tangible ways to develop a faith of pursuing, chasing, knowing, and loving Jesus. Because if we clean up our lives but don't get Jesus, we've lost! So let the goal be Him. To live is Christ, to die is gain—this is the message of the letter. Therefore, our lives should be lived to Him, through Him, for Him, with Him, about Him—everything should be about Jesus.

For Me to Live is Christ

Excerpt from *To Live Is Christ, to Die Is Gain: A Sermon in Memory of the Rev. Edward Rondthaler* How wonderful are the leadings of the Lord! After thirteen years of labour in other spheres, that strong young man who had left this institution, secretly nurturing the hope that he might once be permitted to occupy the teacher's place, came back a weary invalid, with his hopes realized; — came back to teach what he delighted to teach, and then to die. Desiring God

The author is convinced there is only one way to live an authentic life, and that is the Way of Jesus. All other ways of living end in decay, disaster and death. Life at its best requires grit, gumption, grace and gratitude and those resources are found in Christ alone. Living in Christ begins with our surrender to His Way and continues with our surrender to the leadership of his Inner Voice, the Voice of the Living Christ. As we live in Christ, God slowly transforms us into the likeness of His Son while using us to attract others to the Kingdom of God. In Christ alone we find the power to deal with the perplexities of life, and Christ alone do we find the joy and dignity of living in the world as His servants. By living in Christ we find the power to love our neighbors and overcome evil with good. To Live Is Christ

"To live is Christ" has been written by someone who was willing to take the challenge to walk in obedience to Jesus Christ. After losing her husband twelve years ago, with two children to bring up, Alison Hill chose to walk closely with God and to listen to His voice. As you read you will find out how she took hold of God and His teachings at some of the most difficult times in her life, learning to hear the Lord in depth, revealing to us what needs to take place, for us to truly follow the Lord of Lord's and the King of Kings.

Teaching

"Why does it seem like reading the Bible is more of a duty than a privilege? Do we get the idea that we should read the Bible because it's the thing to do, or is there something more to it? Maybe if we begin to see the Bible for what it is, a holy book that contains vast riches and the keys to understanding how Jesus lived and how He wants us to live, we will begin to crave God's Word as a newborn baby craves milk.."--container.

This revision includes personal testimonials, diagrams, and a poem by the author, illustrating his own spiritual and emotional journey.

The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

Living in Christ, the Only Way to Live

Best-selling author Beth Moore has a remarkable gift for crafting insightful Bible character studies. Millions have been drawn to her inspired lessons, and the media has called her "America's Bible teacher." The PERSONAL REFLECTIONS series continues to reintroduce Beth's most beloved character-driven books, expanding them into 90-day experiences that include nearly all of the text from her original work, plus thoughtful questions and journal space to engage readers throughout this special time of study. Paul: 90 Days on His Journey of Faith is the new presentation of Moore's enduring favorite, To Live Is Christ. Indeed, life with Christ meant a 180-degree turn for the apostle Paul who went from Christian basher to Christian champion, from church attacker to church father. When Jesus captured Paul's soul, He got all of him. The same can be true for you.

The Beloved Disciple

What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying.
