Self-Care for Men

Here is the definitive story of Savile Row, the internationally renowned epicentre of gentlemens style. Introduced by Tom Ford, it is a rich visual history of the street synonymous with elegance, sophistication and timeless attitudes. Including rare archival material and previously unpublished images, alongside specially commissioned photography and fashion shoots, this lavish celebration brings together the Row's tailors, the personalities, the dramas and private tales, the suits and their accoutrements, the fabrics and the cuts, as never before. An exclusive bonus section offers a complete resource for anyone wishing to have a suit made.

Record of the Year, a Reference Scrap Book

Tom Ford has become one of fashion's great icons. In the past decade, he transformed Gucci from a moribund accessories label into one of the sexiest fashion brands in the world. His designs have increased sales at Gucci tenfold and have helped build the Gucci brand into the luxury goods conglomerate that it is today. Ford brought a hard-edged style synonymous with 21st century glamour to his clothes, and Hollywood sat up and took note. This book is a complete catalogue of Ford's design work for both Gucci and Yves Saint Laurent from 1994 to 2004. It

chronicles not only Ford's clothing and accessories designs for both houses, but also explores Ford's grand vision for the complete design of a brand, including architecture, store design, and advertising. Tom Ford features more than 200 photographs by Richard Avedon, Mario Testino, Steven Meisel, Helmut Newton, Herb Ritts, Terry Richardson, Craig McDean, Todd Eberle, and numerous other photographers including many previously unpublished images. Published to coincide with his departure from Gucci, this book has been created with Ford's full cooperation and every page reflects his exceptional taste. It is Ford's testament to a career of singular moments reinventing the boundaries of style and sensuality in clothing.

Tom Ford

A fully illustrated biography of iconic American designer Ralph Lauren told through the lens of fashion From the author of Dressing the Man, the seminal tome on men's fashion, comes the illustrated biography of Ralph Lauren. Published in time for Lauren's 80th birthday on October 14, 2019, Alan Flusser's book looks at the life of the iconic American designer through the lens of fashion and cultural impact. This high-level, yet intimate, reflection on the life and work of Ralph Lauren shows how a preppy young boy from the Bronx created one of the most recognizable brands in American fashion.

A SINGLE MAN

A rich visual history of *Architectural Digest*, published for the magazine's 100th anniversary *Architectural Digest at 100* celebrates the best from the pages of the international design authority. The editors have delved into the archives and culled years of rich material covering a range of subjects. Ranging freely between present and past, the book features the personal spaces of dozens of private

celebrities like Barack and Michelle Obama, David Bowie, Truman Capote, David Hockney, Michael Kors, and Diana Vreeland, and includes the work of top designers and architects like Frank Gehry, David Hicks, India Mahdavi, Peter Marino, John Fowler, Renzo Mongiardino, Oscar Niemeyer, Axel Vervoordt, Frank Lloyd Wright, and Elsie de Wolfe. Also included are stunning images from the magazine's history by photographers such as Bill Cunningham, Horst P. Horst, Simon Upton, Francois Dischinger, Francois Halard, Julius Shulman, and Oberto Gili.

Adventure

Tom Ford caused a sensation when it was first published in 2004. This giant slice of fashion history, now back in print, celebrates the designers phenomenal career, during which he brought the house of Gucci back from the dead and then dethroned the great Yves Saint Laurent. With images by Richard Avedon, Helmut Newton, Steven Meisel and Terry Richardson, as well as texts by Anna Wintour and Graydon Carter, the book showcases Fords magic touch on iconic catwalk pieces, provocative ad campaigns and elegant interiors. Anyone with an interest in fashion will want to own Tom Ford.

The Chase

A Single Man

Rose is disappointed with her life, though she has no reason to be - she has a beautiful family and a perfectly nice house in the suburbs.

But to Rose, this ordinary life feels overshadowed by her other life – the one she leads every night in her dreams. After a childhood accident, Rose's dreams take her to a wondrous island fraught with adventure. On this island, she has never been alone: she shares it with Hugo, a brave boy who's grown up with her into a hero of a man. But when Rose stumbles across Hugo in real life, both her real and dream worlds are changed forever. Here is the man who has shared all of her incredible adventures in impossible places, who grew up with her, even if they aren't what either one imagined. Their chance encounter begins a cascade of questions, lies, and a dangerous obsession that threatens to topple everything she knows. Is she willing to let go of everything she holds dear to understand their extraordinary connection? And will it lead her to discover who she truly wants to be?

Out

Welcome to sunny suburban 1960s Southern California. George is a gay middle-aged English professor, adjusting to solitude after the tragic death of his young partner. He is determined to persist in the routines of his former life. *A Single Man* follows him over the course of an ordinary twenty-four hours. Behind his British reserve, tides of grief, rage, and loneliness surge—but what is revealed is a man who loves being alive despite all the everyday injustices. When Christopher Isherwood's *A Single Man* first appeared, it shocked many with its frank, sympathetic, and moving portrayal of a gay man in maturity. Isherwood's favorite of his own novels, it now stands as a classic lyric meditation on life as an outsider.
