Stand for Life

How do we overcome what we are being overcome by--whether depression,

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

anxiety, overeating, a negative view of ourselves or any other stronghold--in order to experience the freedom that is available to us in Christ? When the pressures of life become overwhelming, we often find ourselves turning to food, shopping, alcohol, television or whatever our "counterfeit" might be in search of the relief, release and peace we are longing for. These choices are not necessarily bad, but the satisfaction is merely temporary. Before we know it, we can find ourselves enslaved by addictive and destructive behaviors, but there is a way out. With grace and warmth, author Robia Scott shows how true healing and lasting satisfaction can be found only as we learn to transfer our dependence from counterfeit comforts onto our one true Comforter: the Holy Spirit. Drawing from the experience of battling her own counterfeits--primarily her tumultuous relationship with food and obsession with dieting, weight and body image--Robia leads you step by step through the process of transformation. It is through learning how to experience and connect with the Person, the presence and the power of God that we discover who we truly are, and acquire freedom to live the life of purpose that we were created for.

Breakthrough

Khalil Rafati went to Los Angeles in the 1990s and had it all. He was

working with Hollywood movie stars and legendary rock musicians, but it wasn't long before he found his way into the dark underbelly of the City of Angels. When he hit rock bottom addicted to heroin and cocaine, overtaken by paranoia and psychosis, written off by his friends and family he grabbed a shovel and kept digging. At 33, Khalil was 109 pounds, a convicted felon, high school dropout, and homeless junkie living on the infamous Skid Row in downtown L.A.

Murder, Motherhood, and Miraculous Grace

"The story of Rifqa's remarkable spiritual journey from Islam to Christianity is also the untold story of how she ran from her father's threats to find refuge with strangers in Florida, only to face a controversial court case that reached national headlines. Most of all, it is the story of a young girl who made life-changing sacrifices to follow Jesus"--Amazon.com.

Her Choice to Heal

The unplanned journey is a book about a journey I never imagined. I often wonder why God allows certain things to happen in my life. I

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

have often heard the term that God will not give you more than you can handle. If anyone had told me that I would spend almost two decades in prison, I would have thought they had lost their mind. It was one thing to be accused of such a horrific crime, but to be charged and sent away for it, that was another thing. I thought there is no way I could ever make it through such an ordeal. I thought I would lose my mind. I surprised myself and many others. Not only did I serve each day of the seventeen years, but I did it with dignity and integrity. I grew. My faith grew, and I am a better person because of it. I must admit it was not easy at all. I was upset with God that he would allow such a thing to happen to me. His word says in Romans 11, "God treats everyone the same." Job was a man who was righteous in the sight of God, so if God would allow him to go through hard trials, why would it be any different for me? So I used this experience to make me better, not bitter.

On August 9, 1945, an American B-29 dropped an atomic bomb on Nagasaki, Japan, killing tens of thousands of people in the blink of an eye, while fatally injuring and poisoning thousands more. Among the survivors was Takashi Nagai, a pioneer in radiology research and a

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

convert to the Catholic Faith. Living in the rubble of the ruined city and suffering from leukemia caused by over-exposure to radiation, Nagai lived out the remainder of his remarkable life by bringing physical and spiritual healing to his war-weary people. A Song for Nagasaki tells the moving story of this extraordinary man, beginning with his boyhood and the heroic tales and stoic virtues of his family's Shinto religion. It reveals the inspiring story of Nagai's remarkable spiritual journey from Shintoism to atheism to Catholicism. Mixed with interesting details about Japanese history and culture, the biography traces Nagai's spiritual quest as he studied medicine at Nagasaki University, served as a medic with the Japanese army during its occupation of Manchuria, and returned to Nagasaki to dedicate himself to the science of radiology. The historic Catholic district of the city, where Nagai became a Catholic and began a family, was ground zero for the atomic bomb. After the bomb disaster that killed thousands, including Nagai's beloved wife, Nagai, then Dean of Radiology at Nagasaki University, threw himself into service to the countless victims of the bomb explosion, even though it meant deadly exposure to the radiation which eventually would cause his own death. While dying, he also wrote powerful books that became best-sellers in Japan. These included *The Bells of Nagasaki*, which resonated deeply with the Japanese people in their great suffering as it explores the

Christian message of love and forgiveness. Nagai became a highly revered man and is considered a saint by many Japanese people.

The Walls are Talking

A look at the dangers of outdoor adventure in New York's Adirondack Mountains recounts true-life stories of tragedy, peril, and survival, from famous historical cases to modern-day events, drawing on historical accounts, personal interviews, and expert analysis to describe each mishap.

The Unplanned Journey

NOW A MAJOR MOTION PICTURE OPENING IN THEATERS EVERYWHERE "This book is a public service." – MICHELLE MALKIN, founder of Twitchy and author of Culture of Corruption "Every American needs to read Gosnell." – DAVID DALEIDEN, the Center for American Progress reporter behind the undercover investigation of Planned Parenthood "Ann and Phelim courageously tell the heart wrenching, shocking story previously ignored, one that every American needs to read." – KATIE PAVLICH, Townhall Editor and Fox News Contributor. He is America's most

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

prolific serial killer. And yet Kermit Gosnell was no obvious criminal. Through desperate attempts to cover up the truth, the mainstream media revealed exactly how important Kermit Gosnell's story is. National best seller Gosnell: The Untold Story of America's Most Prolific Serial Killer is a book that rocked America - and now it is a major motion picture! Masquerading as a doctor and an advocate for women's reproductive health, Kermit Gosnell was purposefully ignored for years. Gosnell reveals that inside his filthy clinic, Gosnell murdered born-alive infants, butchered women, and made a chilling collection of baby feet. Meanwhile, pro-choice politicians kept health inspectors far away. Only when tenacious undercover detective Jim Wood followed a narcotics investigation straight into the clinic did Gosnell's reign of horror finally come to an end...and the fight for justice begin. Written by investigative journalists Ann McElhinney and Phelim McAleer, this gripping story premieres October 12 as a major motion picture, starring Dean Cain as Detective Wood. Fans of the movie - and every pro-life American - should dive into this nationally bestselling book for a closer look into the shocking and gruesome crime of the century. Gosnell: The Untold Story of America's Most Prolific Serial Killer reveals... How Kermit Gosnell would eat cereal or snack on sandwiches - while performing abortions. How Gosnell carelessly allowed "that Indian woman," Karnamaya Mongar, to die a

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

bloody death. How Gosnell's employees admitted to snipping the necks of hundreds of breathing babies. How Tom Ridge, a "pro-choice" Republican governor, put a stop to Pennsylvania Health Department inspections for seventeen years. How Sherry West, the clinic employee whose mental health problems, drug addiction, and Hepatitis C infection, were well known to Gosnell, overdosed, maltreated, and abused patients for years. How new mother and prosecutor Assistant District Attorney Christine Wechsler found herself having to cut open the skulls of forty-seven dead babies during the investigation. How the pro-abortion media blacked out what should have been the trial of the century - and how they were finally shamed into covering the case. Why Kermit Gosnell, unrepentant murderer, expects to be vindicated by history.

Why Pro-Life?

Retailers Choice Award winner, 2012 Abby Johnson quit her job in October 2009. That simple act became a national news story because Abby was the director of a Planned Parenthood clinic in Texas who, after participating in an actual abortion procedure for the first time, walked down the street to join the Coalition for Life. courtroom battle, and spiritual transformation that speaks hope and compassion into the political controversy that surrounds this issue. Telling Abby's story from both sides of the abortion clinic property line, this book is a must-read for anyone who cares about the life versus rights debate and helping women who face crisis pregnancies. Now updated with a new chapter covering the latest events in Abby's journey, in the news, and in changing legislation . . . and revealing the impact Abby's story has had in the most surprising places.

Unplanned

"This is a story of a tough young man who lost his way, and of a loving God who never forgot him, no matter where he was." – Nicky Cruz, bestselling author of Run Baby Run The son of El Salvadorian immigrants, Casey Diaz was brought to Los Angeles at the age of two. An abusive, impoverished family life propelled Casey at only eleven years of age into the Rockwood Street Locos gang. Casey was willing to do anything to be number one, but years of chasing rival gang members led to a dramatic ambush and arrest by the LAPD. At just sixteen, Casey was sentenced to more than twelve years in solitary confinement in California's toughest prison as one of the state's most violent offenders. He thought his life was over. Yet, when a determined

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

elderly woman paid Casey a visit, a whole new world of possibilities began to unfold. Casey scoffed as she quietly insisted God was going to use him. As the days in solitary wore on, Casey realized Someone else was calling the shots. What happened next can only be described as a miracle. Perfect for: People who believe they're too far gone Parents who want to keep their kids out of gangs - what are the warning signs Social workers who interact with at-risk youth Those looking for a gritty, informed perspective on LA street gangs and gang culture A visceral insider's look at the violent world of gangs and prison life, The Shot Caller is a remarkable demonstration of God's reckless, unending grace and His desire to reach even the worst of sinners—no matter where they are.

Defying Jihad

As politicians, citizens, and families continue the raging national debate on whether it's proper to end human life in the womb, resources like Randy Alcorn's Pro-life Answers to Prochoice Arguments have proven invaluable. With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a "sanctity of life" perspective. Real answers to real questions about abortion appear in logical and concise form. The final chapter -- "Fifty Ways

Motherhood, and Miraculous Grace is an incredible true story of faith, family, and a journey toward seemingly impossible forgiveness. A story that tests the limits of the human heart, it's ultimately a life-affirming testament to how unconditional love and relentless obedience can transform even the darkest nights into mornings of hope.

You Carried Me

"A compelling manifesto by the bestselling author of "Heaven "Why Pro-Life?" offers factual answers to the central issues of the abortion debate in a concise, non-abrasive way. Infused with grace and compassion, and grounded in medical science and psychological studies, Randy Alcorn presents a solid case for defending both unborn children and their mothers. Chapters such as, "What Makes a Human Life 'Meaningful, ' " "Is Abortion Really a Women's Rights Issue," and "How Can I Help Unborn Babies and Their Mothers" help readers to look at the many sides of this polarizing issue. For those on the fence in the midst of the abortion debate, this book will be a great resource as it clearly and thoroughly examines the pro-life position. For those who are pro-life already, this book is an encouragement to be intelligently and graciously informed.

Pro: Reclaiming Abortion Rights

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York

pregnancies and managed to grow in grace and wisdom.

A Song for Nagasaki

He presided over 61,000 abortions—one of which was suffered by his then-girlfriend—and directed the largest abortion clinic in the world. He had helped to legalize abortion in the first place. One day, he had a change of heart. One day, he found God. At the drop of a hat, an abortion doctor renounced his profession—and his atheism—for pro-life advocacy and Christianity. In the most shocking revelations ever expressed in an autobiography, one man unveils his entire life story, detailing countless events—from his gruesome abortion procedures to his conversion and involvement in *The Silent Scream*. Discover one man's incredible journey from death to life in Bernard Nathanson's *The Hand of God*.

The Shot Caller

The New York Times bestselling author of *The Rational Optimist* and *Genome* returns with a fascinating argument for evolution that definitively dispels a dangerous, widespread myth: that we can command

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

and control our world. Human society evolves. Change in technology, language, morality, and society is incremental, inexorable, gradual, and spontaneous. It follows a narrative, going from one stage to the next; it creeps rather than jumps; it has its own spontaneous momentum rather than being driven from outside; it has no goal or end in mind; and it largely happens by trial and error—a version of natural selection. Much of the human world is the result of human action but not of human design: it emerges from the interactions of millions, not from the plans of a few. Drawing on fascinating evidence from science, economics, history, politics, and philosophy, Matt Ridley demolishes conventional assumptions that the great events and trends of our day are dictated by those on high, whether in government, business, academia, or organized religion. On the contrary, our most important achievements develop from the bottom up. Just as skeins of geese form Vs in the sky without meaning to and termites build mud cathedrals without architects, so brains take shape without brain-makers, learning happens without teaching, and morality changes for no reason other than the prevailing fashion. Although we neglect, defy, and ignore them, bottom-up trends shape the world. The Industrial Revolution, cell phones, the rise of Asia, and the Internet were never planned; they happened. Languages emerged and evolved by a form of natural selection, as did common law. Torture, racism, slavery, and

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

pedophilia—all once widely regarded as acceptable—are now seen as immoral despite the decline of religion in recent decades. In this wide-ranging and erudite book, Ridley brilliantly makes the case for evolution, rather than design, as the force that has shaped much of our culture, our technology, our minds, and that even now is shaping our future. As compelling as it is controversial, as authoritative as it is ambitious, Ridley's deeply thought-provoking book will change the way we think about the world and how it works.

The Hand of God

So often we fall into the trap of confusing what we do with who we are. We see our vocational calling as the most important thing about us, while our faith calling takes a back seat. And that can wreak havoc on our bodies, our souls, and our relationships. Called Out is a deeply personal book from Paula Farris, the beloved on-air reporter for ABC News and former coanchor of Good Morning America Weekend and The View. It shares her journey through conquering the fears that nearly kept her from the high-profile, high-stakes world of broadcast journalism, and then the dangers when that world threatened to consume her. She faced public humiliation, physical breakdowns, and family struggles, while all along the way God gently reminded her of her true

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

purpose in him. Paula discovered how easy it is to lose sight of who we are as people of God. Today she is the host of ABC's highly successful podcast Journeys of Faith, which leans into both her vocational calling and her faith calling. Written with passion and conviction, this book reflects on what it truly means to be called, how to move past the fear holding you back, and how to walk in God's path for you.

That Man Is Dead

Don't worry—almost everyone is. Either we think the subject is too impolite, or we don't want to be branded an intolerant fanatic, or we worry that we won't represent the pro-life side well enough. You can overcome this fear, says Trent Horn in his new book, *Persuasive Pro-Life*—With a little knowledge and a few proven techniques, you can become a bold and effective apologist for the unborn. Drawing on over a decade as a pro-life activist Horn helps you cut through the diversions and obfuscations of the "pro-choice" side in order to accurately frame the legal, historical, and medical issues. Using vivid real-life examples, he drives home the critical importance of charity—no matter how loud the debate gets. For we must be not just warriors for the pro-life cause, he says, but ambassadors for it. Then

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

Horn leads you on a guided tour of the many types of pro-abortion opponent or inquirer ("the pragmatist" "the skeptic," "the conflicted"), along with more true stories from the field. In each case he teaches you specific approaches—what to say, what not to say, and how to bear yourself—that are custom-tailored to every situation. The struggle over abortion has never been hotter, and the stakes could not be higher. Read *Persuasive Pro-Life* today and never again be afraid to speak up for the precious and fundamental right to life. Book jacket.

A Bump in Life

A baby changes everything. It can be messy. It can also be beautiful... Pregnant at fifteen, and choosing to keep her child, Laura knew that her life would never be the same. Through her compelling story, and stories of others—parents struggling with miscarriage, infertility, abusive relationships, addictions, abortions, and those mourning the children they placed for adoption—we witness beauty and redemption rising from the ashes of lost hope. For young mothers, fathers, leaders and pastors, Laura's stories, practical tools, and guidance for unplanned pregnancy provide hope, courage and healing, compelling us to move past mere survival to choosing a full, abundant life.

rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and badass." —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. Love

Warrior is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

Love Warrior

In April 2005, Ashley Smith made headlines around the globe when she miraculously talked her way out of the hands of alleged courthouse killer Brian Nichols after he took her hostage for seven hours in her suburban Atlanta apartment. In this moving, inspirational memoir, the 26-year-old widowed mother of a six-year-old girl shares for the first time the little-known details of her traumatic ordeal, and expands on how her faith and the bestselling book *The Purpose-Driven« Life* helped her survive and bring the killer's murderous rampage to a peaceful end. Just as she told her 6'1", 210-pound captor that his ultimate "purpose" in life was to end up spending the rest of his life in prison, preaching the teachings of Jesus Christ to his fellow inmates, Smith believes her own purpose is to spread that message of love to the rest of us. Juxtaposing the minute-by-minute tale of her experience with the never-before-told tragedies and triumphs of her

own life, Unlikely Angel is a gripping tale of downfall and redemption, involving addiction, violence, death, loss, faith, and love. It is a story that will leave no reader untouched.

Unplanned

For the modern Christian woman living in today's sexually charged society, embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like - What is the purpose of my sexuality? - What does it mean to pursue purity? - Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories, and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

The Case for Life

Anyone can throw a punch. Anyone can sell a drug. Anyone can manufacture meth. None of it takes any special skill or strength or courage. There is no glory in those stories. This book is about what God has done. And about what God is doing. Look into the eyes of that man in the mugshot, and you'll see no life there. That man is dead. Now he's alive. Jesus still raises the dead. And that's all that matters. Stories about guns and drugs and the gangster life might be exciting, but they only lead back to darkness. Stories about Jesus lead us to the light. That Man Is Dead is a story about Jesus. With passion and honesty, Dennis Otto shows the reader how the Holy Spirit transformed an ornery ex-con into a joyful servant of God.

I Forgot to Die

A NEW YORK TIMES BESTSELLER The enthralling story of the rise and reign of O-Six, the celebrated Yellowstone wolf, and the people who loved or feared her Before men ruled the earth, there were wolves. Once abundant in North America, these majestic creatures were hunted to near extinction in the lower 48 states by the 1920s. But in recent

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

decades, conservationists have brought wolves back to the Rockies, igniting a battle over the very soul of the West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, O-Six, a charismatic alpha female named for the year of her birth. Uncommonly powerful, with gray fur and faint black ovals around each eye, O-Six is a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. She is beloved by wolf watchers, particularly renowned naturalist Rick McIntyre, and becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is challenged on all fronts: by hunters, who compete with wolves for the elk they both prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who are vying for control of the park's stunningly beautiful Lamar Valley. These forces collide in *American Wolf*, a riveting multigenerational saga of hardship and triumph that tells a larger story about the ongoing cultural clash in the West—between those fighting for a vanishing way of life and those committed to restoring one of the country's most iconic landscapes.

Unplanned

In this volume of 15 articles, contributors from a wide range of

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

special custom-made dress. But the event is not without poignancy. Sixteen years earlier, that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place. Unfurling the history of Melody's parents and grandparents to show how they all arrived at this moment, Woodson considers not just their ambitions and successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history. As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, Red at the Bone most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives--even before they have begun to figure out who they are and what they want to be.

Sex, Purity, and the Longings of a Girl's Heart

If you truly love Allah, you will die for him. Your death will mean much reward for you and your family in heaven. Only death will prove your love. It was the final test. A chance to win not only the love of Allah, but the love of her father--something she had never been able to earn. Esther took a deep breath and raised her hand in the air. At the age of eighteen, she had just volunteered to become a suicide bomber.

Defying Jihad is the true story of a girl growing up under radical Islamic rule, trained to believe her ultimate purpose was to serve Allah by dying as a jihadist. But two nights before she was to leave forever, she had a dream . . . one that would change the course of her destiny. Against all odds, Esther became a follower of Jesus—even though leaving Islam meant her death sentence. But rather than kill her immediately, Esther's furious father challenged her to a series of public debates with Muslim scholars: the Bible versus the Quran. If Esther won, she might yet survive. But if the Muslim clerics won, Esther must renounce her Christian faith. For an entire month—if she lived that long—Esther would be brought before the mob daily to defend her newfound faith. Would God give her the words to argue against Muslim leaders, former friends, and even her own family? Defying Jihad is an amazing story of a woman prepared to surrender all for Jesus—and whose life transformed from terror to overwhelming love.

A Beautiful Defeat

Pro-life Christians, take heart: the pro-life message can compete in the marketplace of ideas—provided Christians properly understand and articulate that message. Too many Christians do not understand the essential truths of the pro-life position, making it difficult for

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

them to articulate a biblical worldview on issues like abortion, cloning, and embryo research. The Case for Life provides intellectual grounding for the pro-life convictions that most evangelicals hold. Author Scott Klusendorf first simplifies the debate: the sanctity of life is not a morally complex issue. It's not about choice, privacy, or scientific progress. To the contrary, the debate turns on one key question: What is the unborn? From there readers learn how to engage the great bio-tech debate of the twenty-first century, how to answer objections persuasively, and what the role of the pro-life pastor should be.

Planned from the Start: A Healing Devotional

The Impossible reveals prayer's immediate and powerful impact through the true account of a family whose son died and was miraculously resurrected. Through the years and the struggles, when life seemed more about hurt and loss than hope and mercy, God was positioning the Smiths for something extraordinary—the death and resurrection of their son. When Joyce Smith's fourteen-year-old son John fell through an icy Missouri lake one winter morning, she and her family had seemingly lost everything. At the hospital, John lay lifeless for more than sixty minutes. But Joyce was not ready to give up on her son. She

Read PDF Unplanned The Dramatic True Story Of A Former Planned Parenthood Leaders Eye Opening Journey Across The Life Line

mustered all her faith and strength into one force and cried out to God in a loud voice to save him. Miraculously, her son's heart immediately started beating again. In the coming days, John would defy every expert, every case history, and every scientific prediction. Sixteen days after falling through the ice and being clinically dead for an hour, he walked out of the hospital under his own power, completely healed. The Impossible is about a profound truth: prayer really does work. God uses it to remind us that He is always with us, and when we combine it with unshakable faith, nothing is impossible.

The Outsiders

Total surrender to God: the surprising key to experiencing the sense of peace and purpose you crave. There is a gnawing feeling inside all of us that says we could be better. If we would just be more organized or work a little harder, we'd finally have the rich and fulfilling life we want. But the message of the cross is different. The message is not one of God saying, "I died for your sins to work as a consultant to help you achieve the life you're determined to have." Jesus died to reconcile us to God so that we can die and give our lives to him and to others—a total surrender that is truly a beautiful defeat! Perspective and peace in the midst of the stormy chaos of life

are always available to the person who lives a surrendered life. The result is a rich existence basking in the pleasure and approval of God.

American Wolf

Planned from the Start: A Healing Devotional by Lorraine Marie Varela accompanies the major theatrical release Unplanned, the story of Abby Johnson's journey through Planned Parenthood and how she left the organization after watching an abortion on ultrasound. This interactive devotional offers healing and hope to women (and men) who suffer from the devastating pain of post-abortion trauma.

The Psychosocial Implications of Disney Movies

This book narrates the harrowing and life-changing experiences of former abortion clinic workers, including those of the author, who once directed abortion services at a large Planned Parenthood clinic in Texas. These individuals, whose names have been changed to protect their identities, left their jobs in the abortion industry after experiencing a change of heart. They have come forward with their

stories, not for fame or notoriety, but to shed light on the reality of abortion. They want their stories to change the lives of others for the better. These stories are difficult to read, because an abortion is an act of violence, harming not only the obvious victim—the unborn child— but also the mother, the father, the doctor, and everyone else involved. But these stories also offer hope, for they show that anyone, no matter what part the person has played in an abortion, can start anew, can make amends for past mistakes. They demonstrate that the first step on that journey is telling the truth, as these courageous individuals do in these pages. "Those of us that have worked in the abortion industry all live with a constant burden. We can't let our burden slide off of our shoulders; it is what keeps us on fire. It reminds us of why we fight so hard. We have seen death and evil in a way that most haven't—and we participated. But we are forgiven. He who has been forgiven much, loves much. And we love a lot. I am eagerly awaiting the day when we can call all abortionists and clinic workers former and repentant abortion providers." — Abby Johnson, author

Called Out

What do 33% of American women have in common? They've experienced

abortion. You might be one of these women. Or maybe it's your friend, sister, coworker, or the woman sitting next to you at church. Regardless, post-abortive women are in pain, and at some point, most will experience post-abortion syndrome (PAS), a form of post traumatic stress disorder. But they may never talk about it. Many are silent because they are filled with shame, grief and guilt, afraid of judgment and condemnation. Few realize that peace is attainable through Christ's mourning process and the knowledge that because of His grace, they will reunite with their lost loved ones in Heaven. Her Choice to Heal is designed to help women find a way to God's healing after this devastating choice. Written by a post-abortive woman, it includes testimonies of strength, healing and hope. Sydna compassionately leads you on the difficult journey through denial, anger, and grief, to forgiveness, redemption, and letting go. Her Choice to Heal offers a roadmap to healing - practical suggestions, resources for help, space to journal, with the encouragement and hope found in Christ alone.
