THE JULY PICK FOR REESE WITHERSPOON'S HELLO SUNSHINE BOOK CLUB "A beautiful novel that's full of forbidden passions, family secrets and a lot of courage and sacrifice."--Reese Witherspoon After the death of her beloved grandmother, a Cuban-American woman travels to Havana, where she discovers the roots of her identity--and unearths a family secret hidden since the revolution Havana, 1958. The daughter of a sugar baron, nineteen-year-old Elisa Perez is part of Cuba's high society, where she is largely sheltered from the country's growing political unrest--until she embarks on a clandestine affair with a passionate revolutionary Miami, 2017. Freelance writer Marisol Ferrera grew up hearing romantic stories of Cuba from her late grandmother Elisa, who was forced to flee with her family during the revolution. Elisa's last wish was for Marisol to scatter her ashes in the country of her birth. Arriving in Havana, Marisol comes face-to-face with the contrast of Cuba's tropical, timeless beauty and its perilous political climate. When more family history comes to light and Marisol finds herself attracted to a man with secrets of his own, she'll need the lessons of her grandmother's past to help her understand the true meaning of courage.

Twelve shocking paintings. Eleven famous murders. One missing artist . . . and one woman driven to find her—this Reese's Book Club x Hello Sunshine Selection is a “stunning achievement” (Los Angeles Times). Kim Lord is an avant-garde figure, feminist icon, and agent provocateur in the L.A. art scene. Her groundbreaking new exhibition Still Lives is comprised of self-portraits depicting herself as famous, murdered women—the Black Dahlia, Chandra Levy, Nicole Brown Simpson, among many others—and

the works are as compelling as they are disturbing, implicating a culture that is too accustomed to violence against women. As the city ' s richest art patrons pour into the Rocque Museum ' s opening night, all the staff, including editor Maggie Richter, hope the event will be enough to save the historic institution ' s flailing finances. Except Kim Lord never shows up to her own gala. Fear mounts as the hours and days drag on and Lord remains missing. Suspicion falls on the up – and – coming gallerist Greg Shaw Ferguson, who happens to be Maggie ' s ex. A rogue ' s gallery of eccentric art world figures could also have motive for the act, and as Maggie gets drawn into her own investigation of Lord ' s disappearance, she ' ll come to suspect all of those closest to her. Set against a culture that often fetishizes violence, *Still Lives* is a page – turning exodus into the art world ' s hall of mirrors, and one woman ' s journey into the belly of an industry flooded with money and secrets. "Has a heck of a hook . . . It sucks you into a compelling story, before forcing you to contemplate the big, uncomfortable ideas it ' s considering. It ' s a fresh choice for Reese ' s Book Club, to be sure." Entertainment Weekly

Returning to his longtime home in Japan after his father-in-law ' s sudden death, Pico Iyer picks up the steady patterns of his everyday rites: going to the post office and engaging in furious games of ping-pong every evening. But in a country whose calendar is marked with occasions honoring the dead, he comes to reflect on changelessness in ways that anyone can relate to: parents age, children scatter, and Iyer and his wife turn to whatever can sustain them as everything falls away. As the maple leaves begin to turn and the heat begins to soften, Iyer shows us a Japan we have seldom seen before, where the transparent and the mysterious are held in a delicate balance, and where autumn reminds us to take nothing for granted.

Summary: Reese Witherspoon's Whiskey in a Teacup: What

The first-ever biography of the man who created America's most famous whiskey Born in Lynchburg, Tennessee, in 1850, Jack Daniel became a legendary moonshiner at age 15 before launching a legitimate distillery ten years later. By the time he died in 1911, he was an American legend-and his Old No. 7 Tennessee sipping whiskey was an international sensation, the winner of gold medals at the St. Louis World's Fair and the Liege International Exposition in Belgium. Blood and Whiskey

captures Daniel's indomitable rise in the rough-edged world of the nineteenth-century whiskey trade-and shows how his commitment to quality (his whiskey was always charcoal-filtered) and his flair for marketing and packaging (he launched his distinctive square bottle in 189-5) helped create one of America's most venerable and recognizable brands. Peter Krass (Hanover, NH) is the author of *Carnegie* (0-471-46883-5), cited by Barron's as the "definitive" biography and selected by Library Journal as one of the best biography/business books of 2002.

Morningstar: Growing Up With Books

" [An] enchanting journey through Ann Hood ' s early fascination with reading.... Book lovers will find *Morningstar* irresistible. " —Lynn Sharon Schwartz, author of *Ruined by Reading* Growing up in a mill town in Rhode Island, in a household that didn ' t foster a love of reading, novelist Ann Hood discovered nonetheless the transformative power of literature. She learned to channel her imagination, ambitions, and curiosity by devouring ever-growing stacks of books. In *Morningstar*, Hood recalls with warmth and honesty how *The Bell Jar*, *Marjorie Morningstar*, *The Harrad Experiment*, and *The Outsiders* influenced her teen psyche and introduced her to topics that could not be discussed at home: desire, fear, sexuality, and madness. Later, *Johnny Got His Gun* and *Grapes of Wrath* dramatically influenced her political thinking while the Vietnam War and Kent State shootings became headline news, and classics such as *Dr. Zhivago* and *Les Mis é rables* stoked her ambitions to travel the world. With characteristic insight and charm, Hood showcases the ways in which books gave her life and can transform—even save—our own lives.

The Slingerland Book

From beloved author Molly Harper comes the first novel in the contemporary romance series, Southern Eclectic, about a big-city party planner who finds true love in a small Georgia town. Nestled on the shore of Lake Sackett, Georgia is the McCready Family Funeral Home and Bait Shop. (What, you have a problem with one-stop shopping?) Two McCready brothers started two separate businesses in the same building back in 1928, and now it ' s become one big family affair. And true to form in small Southern towns, family business becomes everybody ' s business. Margot Cary has spent her life immersed in everything Lake Sackett is not. As an elite event planner, Margot ' s rubbed elbows with the cream of Chicago society, and made elegance and glamour her business. She ' s riding high until one event goes tragically, spectacularly wrong. Now she ' s blackballed by the gala set and in dire need of a fresh start—and apparently the McCreadys are in need of an event planner with a tarnished reputation. As Margot finds her footing in a town where everybody knows not only your name, but what you had for dinner last Saturday night and what you ' ll wear to church on Sunday morning, she grudgingly has to admit that there are some things Lake Sackett does better than Chicago—including the dating prospects. Elementary school principal Kyle Archer is a fellow fish-out-of-water who volunteers to show Margot the picture-postcard side of Southern living. The two of them hit it off, but not everybody is happy to see an outsider snapping up one of the town's most eligible gentleman. Will Margot reel in her handsome fish, or will she have to release her latest catch?

"Spellbinding, terrifying, deeply moving, Richard Beard's *The Day That Went Missing* is a masterpiece" (Joanna Rakoff), an unflinching portrait of a family's silent grief, and the tragic death of his brother not spoken about for forty years. Winner of the PEN/Ackerley Prize 2018 On a family summer holiday in Cornwall in 1978, Richard and his younger brother Nicholas are jumping in the waves. Suddenly, Nicholas is out of his depth. One moment he's there, the next he's gone. Richard and his other brothers don't attend the funeral, and incredibly the family returns immediately to the same cottage - to complete the holiday, to carry on, in the best British tradition. They soon stop speaking of the catastrophe. Their epic act of collective denial writes Nicky out of the family memory. Nearly forty years later, Richard, an acclaimed novelist, is haunted by the missing piece of his childhood, the unexpressed and unacknowledged grief at his core. He doesn't even know the date of his brother's death or the name of the beach where the tragedy occurred. So he sets out on a pain-staking investigation to rebuild Nicky's life, and ultimately to recreate the precise events on the day of the accident. *The Day That Went Missing* is a transcendent story of

guilt and forgiveness, of reckoning with unspeakable loss. But, above all, it is a brother's most tender act of remembrance, and a man's brave act of survival.

The World in Your Teacup

In this sophisticated, suspenseful debut reminiscent of Laura Lippman and Megan Miranda, two young women become unlikely friends during one fateful summer in Atlantic City as mysterious disappearances hit dangerously close to home. Summer has come to Atlantic City but the boardwalk is empty of tourists, the casino lights have dimmed, and two Jane Does are laid out in the marshland behind the Sunset Motel, just west of town. Only one person even knows they 're there. Meanwhile, Clara, a young boardwalk psychic, struggles to attract clients for the tarot readings that pay her rent. When she begins to experience very real and disturbing visions, she suspects they could be related to the recent cases of women gone missing in town. When Clara meets Lily, an ex-Soho art gallery girl who is working at a desolate casino spa and reeling from a personal tragedy, she thinks Lily may be able to help her. But Lily has her own demons to face. If they can put the pieces together in time, they may save another lost girl—so long as their efforts don 't attract perilous attention first. Can they break the ill-fated cycle, or will they join the other victims? A “ beautifully written, thoughtful page-turner ” (Chloe Benjamin, New York Times bestselling author of *The Immortalists*), *Please See Us* is an evocative and compelling psychological thriller that explores the intersection of womanhood, power, and violence.

Julie Blackmon has transfixed the contemporary art world with images of her children, nieces, nephews and friends (and their children). As the oldest of nine children herself, Blackmon has always been fascinated by family life, and her photographs are crammed with children and adults, everyday objects, toys and playthings. The subjects in the distance are often as fascinating as those highlighted in the foreground, and even the figures barely visible, hidden behind doors or windows, add a sometimes sinister, always intriguing element to the scene. Following the success of the bestselling volume "Domestic Variations" (2009), "Homegrown" shows how Blackmon's style has evolved, as she continues to capture the tensions between the harmony and disarray of domestic life. Though her photographs continue to be undeniably contemporary, references to classic painting and portraiture can be detected: the influence of seventeenth-century Dutch painter Jan Steen mixes with more contemporary figures, such as Balthus, Edward Gorey, Tim Burton and Federico Fellini. Included in this new volume are 45 works made from 2009-2014, along with an introduction by renowned poet Billy Collins and an interview by the actress Reese Witherspoon. Julie Blackmon (born 1966) is a Missouri-based photographer who has amassed many honors since beginning her career just a few years ago. Her work has appeared in such publications as "The New York Times Magazine," "The New Yorker" and "Vanity Fair," and can be found in the collections of the Kemper Museum of Art in Kansas City, the Toledo Museum of Art, the Portland Museum of Art in Oregon and the Museum of Fine Arts in Houston, among others.

A story of faith, feminism and finding yourself, for fans of Educated and The Good Immigrant. 'Touching on often taboo subjects . . . Talkhani's story of grit is a portrait of a young woman who refused to let others define her.' ELLE 28-year-old Zeba Talkhani charts her experiences growing up in Saudi Arabia amid patriarchal customs reminiscent of The Handmaid's Tale, and her journey to find freedom in India, Germany and the UK. Talkhani offers a fresh perspective on living as an outsider and examines her relationship with her mother and the challenges she faced when she experienced hair loss at a young age. Rejecting the traditional path her culture had chosen for her, Talkhani became financially independent and married on her own terms in the UK. Drawing on her personal experiences Talkhani shows how she fought for the right to her individuality as a Muslim feminist and refused to let negative experiences define her. In this fascinating biography of Reese Witherspoon, Lauren Brown chronicles Witherspoon's participation in local talent shows, her Hollywood debut, and her Academy Award for Best Actress. Brown also highlights the actress's emphasis on maintaining her values in an industry that often has none. Laura Jeanne Reese Witherspoon was astonishingly ambitious from a young age. By seven, she appeared in commercials and was already taking adult acting classes. In 1990 she earned her first starring role in the film *Man on the Moon*, and suddenly Hollywood took notice. Brown delves into Witherspoon's decision to put a hold on her acting career to pursue an education — a hold that couldn't last when the scripts kept rolling in — her work with her production company Type A, and, of course, her high-visibility relationship with Ryan Phillippe, whom she met at her 21st birthday party. The first-ever biography of the star, *Reese Witherspoon* gives fans a close-up look at Hollywood's golden girl.
