WTF Is My Password

Book Description Sometimes, especially when needed, we forget our login info to access a website. Often, we try to flip and flip pages of a notebook to find username and password for a website. We wrote it our own, but which page? It's really frustrating, and it's also waste of time. That's why we need to use a password notebook with alphabetical sections. This type of book is popular for elderly people, because they seem to forget their passwords easily. It could also be that senior people usually have to learn a lot of things in the fast-moving world, and then they just don't want to memorize the passwords. Though, password keeper notebook is still perfect for people in any ages, who having a problem with memorizing their password.
