You Are Fucking Awesome Swear Word Coloring Book

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

You Are Fucking Awesome.

The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

You Are Fucking Awesome

You are fucking awesome coloring book contains 25 pages of uncensored swaerword, inspirational and motivational coloring pages for you color whenever you need a boost of confidence or a way to de-stress and remember just how awesome you are. People use coloring for the purpose of entertainment and as something to take their minds off the stress of everyday life. We have designed this book to help provide an escape and something to focus on that is enjoyable and motivating. This book is perfect for all and makes a great coloring book for beginners or experienced coloring enthusiasts. Containing a variety of single sided images allowing for easy removal and framing. This will also help to prevent colors from bleeding through onto other designs meaning you can use any type of coloring pens, markers and pencils. Each image has been professionally illustrated and hand picked by us to guarantee you will receive high quality designs throughout the entire book.

You Are Fucking Awesome

The only self-help book you'll ever need, from a psychiatrist and his comedy writer daughter, who will help you put aside your unrealistic wishes, stop trying to change things you can't change, and do the best with what you can control—the first steps to managing all of life's impossible problems. Need to stop screwing up? Feel like you're under a loser's curse? Work with an ass? Want to clear your name or get justice, rescue an addicted person, get closure after childhood abuse, get a lover to commit, not ruin your kid? Although other self-help books claim to reveal the path to happiness, F*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right. Life is hard. It's not fair. Our feelings cloud our rationality, and we become tangled in our efforts to achieve the impossible or change the unchangeable. In this groundbreaking, entirely sensible, and funny book, the Bennetts open the shrinks' secret solution manual and show you how to find a new kind of freedom by working toward realistic goals and doing the best with what you can control. They address the most common problems Dr. Bennett's patients bring to his private practice—problems with family, love, work, self-esteem, garden variety assholes, and more—and give you a script for going forward. With no-bullshit advice from a Harvard-educated shrink freed of all jargon and patronization by his smart-ass, comedy writer daughter, F*ck Feelings is the cut-to-the-chase therapy session you've been looking for.

Reading Like a Writer

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

You Are Fucking Awesome

A much-needed voice of encouragement for every woman who had a baby and lost her mind Sometimes, motherhood feels never-ending. A child is born, chaos ensues, and it seems like life will never return to normal. In *You Are a F*cking Awesome Mom*, award-winning journalist and Instagram star Leslie Anne Bruce acknowledges that, yes, motherhood is a total mind f*ck-but then she offers the self-empowerment lessons new mothers need to get through the psychic upheaval and emerge stronger than ever. After childbirth, a woman's body, her relationships, and her very sense of self are tested like never before. Bruce encourages readers to look past the sugarcoated truisms about the miracles of child-rearing in order to embrace the real joys of motherhood, spit-up stains and all. Loaded with unfettered support from a mom who has been through it all, *You Are a F*cking Awesome Mom* offers a lifeline of encouragement, inspiration, and community for the new mama who got a baby, lost her mind, and desperately wants to find herself again.
